

BROOKLYN ELEMENTARY SCHOOL

2009-2010

The mission of Brooklyn Elementary School is to create a caring environment of high expectations for learning and behavior and to engage students in challenging experiences by working collaboratively with students, colleagues, families and community.

Dear Parents,

Welcome to the 2009-2010 school year at Brooklyn Elementary School. Everything we do is focused on helping students be successful, safe, happy, and productive. Your participation in your children's education is a crucial component to their success, and it is important to provide you with every possible opportunity to share in their learning experiences.

Brooklyn Elementary School is truly a wonderful learning environment for our children. We are fortunate to have an excellent staff, supportive parents and community members, and wonderful children who are a part of our school family. I am very proud of our school and feel very fortunate to serve our students, staff, and community.

I want to thank you for what you have done in the past to make Brooklyn Elementary School what it is, and I welcome you to be an integral part of our continued growth. Getting to know you is important to me, so please introduce yourself when you see me. Please do not hesitate to come in to visit or volunteer your expertise in your child's classroom or the school as a whole. You are always welcome! If you have questions or concerns, please call. Open communication is essential to our success.

Welcome to a great new school year!
