

# Cold Weather Information

## Appropriate Dress

Students are expected to come to school prepared for outdoor play. It is the student's and parent's responsibility to make choices that ensure physical safety and well being while outside. Therefore, please help your child make good choices based on daily weather conditions. We recommend hats, mittens, snow pants, and boots throughout the winter months. Boots will be required into the spring because of wet playground areas.

## Windchill Outdoor/Indoor Recess Plan

Windchill - Temperature combination of 0 or below will be Indoor Recess unless the person(s) on duty decides otherwise.
