ORC36 - ORCHESTRA

Students who are interested in starting a string instrument or improving their playing are encouraged to participate in the summer music program. Younger students will work on developing better technical skills by working on fun songs ranging from fiddling, classical and folk music. Advanced students will have options to work on solo literature or ensemble music. Students are encouraged to sign up with musicians with whom they enjoy playing. **Look for further class information on lesson schedules from the orchestra teacher. Lesson times are flexible and scheduled around other summer school classes.** *Orquesta - Estudiantes que estan interesados en aprender a tocar o mejorar en tocar un instrumento de cuerda son alentados a participar en este programa de música de verano.*

BAND5 - BAND INSTRUMENT LESSONS GRADE 5

Lessons on all band instruments are offered to 5th grade students. Summertime is the best time to improve skills on your current instrument, try a different instrument, or join the Oregon band program if you have never played before. Each lesson is one half-hour in length and always the same day and time each week. The lessons are scheduled to fit around your other summer school classes and transportation. All continuing band students are encouraged to take advantage of this opportunity. Students may elect from one to five lessons per week. You will be contacted later for lesson time preferences through the mail. A complete schedule will be available in May. **Fee includes one instruction book.** *Lecciones de Instrumentos de Banda de 5^{to} Grado - El verano es el mejor tiempo de mejorar las destrezas en el instrumento que estas usando, tratar un instrumento diferente o unirte a el programa de la Banda de Oregon si nunca has tocado.*
