

162.02 ADMINISTRATIVE GUIDELINES FOR WEB PAGE DESIGN

162.02.1 The following policy on web page content will be used to help provide a safe and positive learning environment for all students and staff in the Oregon School District.

1. Web pages may contain information about our District, schools, activities, and communities. These pages will be available on our “world wide web” server.
2. Web pages may include creative literary and artistic works by students and staff. These pages may be available on the “in-district web” pages or on the “world wide web” pages, however, only first names will be used to identify the author.
3. All pictures of staff must have the written approval of the person who is the subject before the picture can be published.
4. Web pages will not include any commercial advertising for products or services.
