

TRANSITIONAL ACADEMY

THESE CLASSES ARE BY TEACHER INVITATION ONLY.

Online registration for these classes begins April 1st at 6:00pm at db.oregonsd.org/summer/

Transitional Academy courses are for those children who need additional time and instruction to achieve proficiency in math, language arts, and, in the middle grades, science and social studies outcomes. These classes are designed to strengthen basic competencies and provide a transition to the start of the next grade. Students are invited to the academy through a process that includes the classroom teacher.

The district strongly encourages attendance by students. We believe the additional time and instruction will allow students to grow in achievement and confidence, and assist the district in its mission of helping all students be successful.

Questions, comments and/or concerns should be directed to:

Stacy Sergent, Elementary Transitional Academy Director, at 835-4079 for grades 2-6

Melissa Mader, Middle School Transitional Academy Director at 835-4847 for grades 7-8
