

SUMMER ORCHESTRA LESSON SCHEDULE  
SUMMER 2010- JUNE - JULY

Summer school small group instruction is similar to what students get throughout the year. Students will have 30 minutes of instruction in a small group 1-5 times each week. The cost is the same for 1, 2, 3, 4 or 5 lessons. If you are interested in taking Summer School orchestra lessons, please cross out times below when you **ARE NOT** available for lessons. We will try to find best time for your lesson by working around other scheduled classes. Remember, you must sign up for lessons through the Summer School Office; this sheet is not an official sign up. Online registration takes begins March 25 at 6:00pm ([db.oregonsd.org/summer/](http://db.oregonsd.org/summer/)). It is very important that parents use the online registration for this class. You will not be scheduled for a lesson if this form is not returned to your orchestra teacher or the summer school office.

The lessons will be taught by Ms. Rebecca Eggerichs, Mrs. Elisabeth Petersen and Mrs. Laura Burns in the Netherwood Knoll Orchestra room. Please note below how many lessons you wish to have. You may also request to have lessons with other students; we will try to accommodate schedules as much as possible. If you have any questions, please email Ms. Eggerichs at [rlc@oregonsd.net](mailto:rlc@oregonsd.net)
