

INFORMATION AT A GLANCE

Arrival Time

Children should not arrive at school before 7:45 am.

Attendance

Parents are asked to notify the school when a child will be absent. Please call 835-4291 to report an absence. Attendance is not mandatory, but we want to make sure all children are safe and accounted for. If your child is late for school, have them go to the office and let the secretary know they have arrived.

Band/Orchestra

Please register for Band or Orchestra Lessons online just like the other classes. The schedule form for you to request Band or Orchestra time/days is on the website for you to print off at www.oregonsd.org/parents/summer_school.cfm

Behavior

Appropriate behavior is expected from all students. Only students enrolled in summer classes or involved in other school sanctioned activities will be allowed in school facilities.

Bikes/Skateboards/Roller Skates

To avoid bike theft, please use a bike lock. Please wear appropriate safety gear when riding or skating. Roller skates or shoes with hide-a-way wheels are not to be worn in the school buildings. Skateboarding is not allowed in the buildings.

Clothing

Students may wear casual clothing during the summer session, but appropriate dress is expected. Shoes or sandals are required.

Computer Access

If you do not have access to a computer, the computer lab at Rome Corners Intermediate School will be available April 1st from 6:00pm-8:00pm for online registration

Summer Activities Eligibility

Anyone living in the Oregon School District or those attending schools in the OSD through Open Enrollment may enroll in the Summer Activities programs.

Emergency Closing

In case of an emergency closing, an announcement will be made on local radio and TV stations.

Financial Assistance

If your family is part of the Free/Reduced School Lunch program, you could be eligible for financial assistance with your child's summer school activities. Please call 835-4040 to find out more about financial assistance.

Finding Classrooms

It is the responsibility of the parent/guardian to help his/her child find their way from classroom to classroom and building to building. The teachers and staff are not responsible for this. You are welcome to bring your child to the schools the week of June 23-27 to help them find their classrooms.

Grade Level

Use your child's current 07-08 grade level when choosing classes. Using the wrong grade level could cause your child to miss an opening in a course that is his/her grade level.

Health Concerns

Every effort will be made to accommodate your child's health needs. This information will be given to the office staff and to the appropriate summer school teachers prior to the start of summer school. Parents will be called immediately in the event of an illness or an accident.

Holiday Closing

There will be no summer activities on Friday, July 4.

Invitation Classes

Some students will be invited to a specific class from their school teacher. If your child receives an invitation, we urge you to register online with the other Summer School classes or send in the registration form with your payment. The course descriptions for these classes are listed together in the section called "Invitation Classes".

Login Information

Everyone starts this 2008 Summer Registration as a new user. If you do not have e-mail - just use your last name or another word as your login. Your password can be any word/number you choose. This system is not part of the PowerSchool system.

Parking Lot Information

The parking lot and drop off area at Prairie View and Netherwood Knoll can get very congested. Please watch for children darting out into the parking lot. Also, please **DO NOT** use the parking lot along side Prairie View - **DO NOT** drive over the curb and sidewalk to or from the circle drive to PVE parking lot and **DO NOT** park or leave your car in the circle drop-off area between NKE and PVE. If you need to park use the big parking lot across the street from PVE.

Payment of Summer Activities

Payment for Summer Activities will be a little different this year. We will **not** be mailing your confirmation/bill. After you register online you will need to print off and sign the confirmation (summary) page of your child's classes. Mail it to the address that is shown by May 9th. We will send out 1 late payment letter. If your payment is not received on the date stated in that letter we will assume your child has dropped out of the class and their names will be taken off of the roster. You may pay all activities/all children in one payment.

Rain Location for Sport Skills Clinics

PVE Large Gym - Baseball/K-Games/Soccer K-1 NKE Large Gym - T-Ball/Soccer 2-3/Softball

Refund Policy

Refunds will automatically go in to your child's lunch account. We realize that some children might not have lunch accounts and a check refund will be issued. No refunds or credits will be given for cancellations less than 7 days before the start of the class unless the cancellation is due to a medical or family emergency. Refunds will not be issued for under \$5.00 and all refunds will be processed after the summer school session ends.

Registration Dates and Time

Online registration begins April 1st at 6:00pm and will end May 1st at 8:00am

Requesting Classes

Only the classes that your child is eligible to take will show up when you are choosing his/her classes. If a class doesn't show up in your child's list of choices that means the class is full. Check your registration periodically to see if a class that was previously full now has an opening. If it shows up - it has an opening.

Shirt Sizes

T-Shirts are not supplied for every class but every registered student is asked to give their shirt size.

Swim Lessons

The registration system for swim has changed. This year it will allow you to register for more than one swim lesson as long as they don't conflict with other classes. If you aren't sure of your child's swim level, please call 835-8617 for assistance.

Transportation

At this time we do not know whether transportation will be provided to those children outside the Village of Oregon. We will let you know closer to registration.

Walk-in registration

We will not be having the "normal" walk-in registration but we will be reopening the online registration system May 19th through May 30th. During that time you can check for course openings, swim classes or make necessary changes in your child's registration. Beginning June 1st if you need to make changes you will need to call Nancy at 835-4040.

Web address for registration

Online web address for registration is db.oregonsd.org/summer/
