A. Check- in and approval of agenda

The Minutes of September 21, 2006 were approved.
The Agenda of October 19, 2006 was approved.

B. Communication

None

C. Old Business

None

D. New Business:

Curriculum Needing CCC/BOE approval:

Brian Root gave an overview of the Law and American Society course taught at the High School. CCC approved the adoption of the curriculum for this course. It will be put before the Board of Education at the November 13, 2006 meeting for formal adoption.

Mike Solheim and Andy Faulkner gave an overview of the 5th and 6th grade Health curriculum currently being taught at Rome Corners. CCC approved the adoption of the curriculum for 5th grade. It will be put before the Board of Education at the November 13, 2006 meeting for formal adoption. 6th grade will eliminate the CPR outcome and replace it with an outcome with a nutrition focus.

Sylvia Stauffacher gave an overview of the Computerized Accounting and Personal Finance courses taught at the High School. CCC approved the adoption of the curriculum for these courses. They will be put before the Board of Education at the November 13, 2006 meeting for formal adoption.

Kerry Steinagle presented his New Course proposal for Vocational Math. It was recommended that this course be brought back to the High School for further clarification.

New Course Proposal Process:

This document was reviewed and revisions were suggested. (See Attached)
The revised document will be reviewed for approval at the next meeting.

E. Future Agenda Items:

- Review of CCC directive
- Course Approval Process
- Outcome Rating Rubric review

Next Meeting Date: Tuesday, November 7, 2006

8:30 – 11:00 AM

District Services Meeting Room
