Site Council Minutes

Members Present: Todd Bresser, Kathy Piper, Steve Scales, Philayne Chose, Christine Antonuzzo, Kris Pearson, Colleen Fitz and Russ Bessemer

Meeting began at 4:34 p.m.

After review of the Site Council application, we agreed to invite the applicant, Ellen Bauer, to join our group; Kris will follow up with the invitation. Ellen has a fifth-grade son, Jere, at RCI.

Steve Scales and Sarah Koch will be stepping down from our committee.

Thank you to Steve Scales for his four years of service on this committee. He shared his pleasure of working on the budget committee and learning the inner workings of our school.

Thank you to Sarah Koch for her service to this committee.

A review of the Back to School activities revealed the September 7 evening session had a smaller attendance this year. A parent involved in the first Camp Gray group liked the timing of the meeting. Camp Gray was earlier this year than in the past.

The first day of school parent support was very helpful. Three parents were available in the morning to help 5th grade students find their way and two parents helped supervise the bus loading area in the afternoon. Thank you to those volunteers.

Todd shared a little of his history with the Oregon School District.

Our next meeting will be Tuesday, October 17 at 4:30 p.m.

Meeting adjourned at 5:05 p.m.
