Welcome!

Dear Families,

We are excited to welcome you to the 2022-2023 school year. Whether you are new to the Oregon School District (OSD) or have had students in our schools for many years, we are happy that you are part of the OSD family. This handbook provides information about our schools that serve Kindergarten - Grade 6.

Our collective mission is centered around "helping students acquire the skills, knowledge and attitudes needed to achieve their individual potential." The apple graphic on the front cover of this handbook is a symbol of five values that were created, together with our community, and is the foundation for our district operations.

Partnering together with families and having open and honest communication is the foundation of a successful school experience. Know that we are here to help and support your family, and we welcome you to contact us with questions now and throughout the school year. It is by working together that we can create the best learning experience and support for students.

We look forward to welcoming you to the 2022-2023 school and seeing you soon!

Sincerely,

Dr. Leslie Bergstrom, Ed.D. - District Superintendent
Dawn Goltz - Prairie View Elementary School Principal
Lindsay Eimerman - Netherwood Knoll Elementary School Principal
Kerri Modjeski - Forest Edge Elementary School Principal
Cyndi Olander - Rome Corners Intermediate School Principal
Anna Seidenstricker - Brooklyn Elementary School Principal

COVID-19

Our top priority is the health and safety of our school community. We are working diligently with Public Health Madison & Dane County (PHMDC) to update our protective measures to protect the health and safety of our students, staff and school community.

Protective measures work best when we all work together to follow them, so we need your help to ensure that students understand and follow COVID-19 protective measures. If you have questions or need assistance with this, please contact your school's main office so that we can provide support.

As our COVID-19 procedures are frequently updated, we will not include all of them here. Please see Board Policies 565 and 566 on our website at OregonSD.org/policies or call the District Office at (608) 835-4091 for the most current information.

Before Arriving At School Or A School-Sponsored Event:

Check your student for any symptoms of COVID-19. (Symptoms may appear 2-14 days after exposure.) Here is a link to our Daily Home Screening [Panther Pledge Symptom Checklist](#).

Your student should stay home if your student has ONE of these symptoms

- Cough
- Shortness of breath or difficulty breathing
- New loss of taste or smell
- Vomiting
- Diarrhea
- Fever 100.0 or higher and/or has taken medication (Tylenol/Ibuprofen) to reduce a fever in the past 24 hours

OR

TWO or more of the following symptoms:

- Congestion or runny nose
- Fatigue
- Muscle aches
- Sore throat
- Nausea or abdominal pain
- Headache

We will send students home if they have a fever and/or are exhibiting symptoms of COVID-19.

SCHOOL OPERATIONS

School Hours

The school day for students at BKE, FES, NKE and PVE is 7:50 a.m. - 2:50 p.m. The K-4 school doors open at 7:45 a.m. and outside supervision starts at 7:35 a.m. FES doors open at 7:40 a.m. and outside supervision starts at 7:35 a.m. We ask that students at these schools not arrive earlier than 7:35 a.m. because we will not have staff present before that time.

The school day for students at RCI is 7:55 a.m. - 2:55 p.m. RCI's doors open at 7:40 and outside supervision starts at 7:35 a.m. We ask that students not arrive earlier than 7:35 a.m. because we will not have staff present before that time.

Students are welcome to come in the main door at 7:35 a.m. if they would like breakfast.

Attendance

We know that a key to student success is attending school. We also know there are times when a student must be absent, whether for illness or family commitments. Given COVID-19, please keep your student home if they are not feeling well.

We have provided a general overview on attendance below. For more detailed information on Attendance, see Board Policy 433 or contact your building administrator.

Under state law, generally all students between 6 and 18 years of age must attend school full time until the end of the term, quarter or semester in which they become 18 years of age. A parent/guardian may excuse a student for up to ten school days per year. When your student has reached nine days, we will contact you. Absences related to COVID-19 or that have a note from a medical advisor will not count as part of these ten days. If your student has missed more than ten days, your student may be considered truant pursuant to state law or Board Policy 433.

How To Report An Absence:

If your student must be absent for in-person or virtual instruction, please call your student's school attendance line found on page 6. You may leave a message 24 hours a day. Please call before 7:45 a.m. for a same day absence.

Please clearly state:

- a. Student's name (first and last)
- b. Teacher's name
- c. Date of absence
- d. Reason for absence
- e. Your name

Attendance Due to Illness / Medical Appointments

The health and safety of our students is a top priority. Please help keep our school community healthy by keeping your student home if your student is showing signs of illness.

Students who have a fever of 100 degrees or higher may not attend school, and must stay home until fever-free for at least 24 hours without medication.

Students who vomit or have diarrhea may not attend school, and must stay home until symptom free for at least 24 hours without medication.

If we believe your student has a fever or is showing signs of illness, we will contact you to pick up your student immediately. If we are unable to reach you, we will contact your student's emergency contact(s) to pick up your student. Please be sure to update all of your contact information in Infinite Campus. If you need assistance, please call the District Office at (608) 835-4091.

If your student has an appointment with a health professional (e.g., doctor, dentist, orthodontist, etc.), please provide the school's main office with a letter excusing the student from school. You will then see the absence marked as "M" in Infinite Campus.

Extended Absences

When scheduling vacations, please keep in mind that the time missed from school is difficult to make up. However, we understand there are times when a vacation during the school year is a family's only option.

Special situations (e.g., competitions or performances) may arise during the school year.

Please call our attendance line to report any extended absences for your student.

Parent/Guardian Excused Absences will appear in Infinite Campus as "Absent-Parent/Guardian Request" (AP). If such absences exceed ten, the absence will appear as "Parent/Guardian Unexcused" (PUX).

Making Up School Work

If someone is going to pick up work for an absent student, we ask that you contact the teacher or office early in the morning. You may also leave a message on the attendance line. The classroom teacher will then have time to gather materials.

Returning to School or Leaving School During The School Day

Students who must leave school during the school day for an appointment or illness must be picked up at the Main Office. Parents/Guardians must sign their student out at the office. Please be prepared to show your ID. Students returning to school during the school day must sign in with a guardian at the office before returning to class. This includes students who are late for school. They will receive a pass to be admitted to class.

Transportation

OSD provides bus transportation to students living a half mile or more from school. Parents/Guardians can request to have their student transported from home or from a student care provider. We will do our best to accommodate requests that are within our busing areas.

Bus routes are established for the upcoming year in late August and can be found on our website. Students are expected to ride the same route to and from school. However, we will attempt to accommodate up to three different drop off/pick up points.

Requests for permanent changes in the established points must be submitted forty-eight (48) hours before the change is to occur. You can submit changes on our website at <https://www.oregonsd.org/domain/29> or call the Director of Transportation at (608) 835-4032 or email Larry Mayo at lwmayo@oregonsd.net.

How to be a Safe Bus Rider

The primary responsibility of the school bus driver is to safely transport students to and

from school. Students are responsible for their behavior on the bus. Students whose behavior is unsafe or distracts the driver could endanger the lives of all students being transported.

Although not all students ride the bus to and from school, all students may be bus riders at some time during the school year for field trips. It is important that all families know the five main bus guidelines:

I AM A SAFE BUS RIDER WHEN I:

Respect others, and their property and the bus.

Sit down.

Use a quiet voice.

Keep my hands to myself.

Follow all safety rules.

Students who do not follow the bus rules may be given a School Bus Behavior Report. Repeated offenses may result in a suspension of bus riding privileges.

Questions regarding bus transportation may be directed to the Director of Transportation at (608) 835-4032.

Walking or Biking To School

Students are welcome to walk or bike to school. Each school has a bike rack for students to lock their bikes. Please walk bikes when on school property. Other wheeled items such as skateboards, scooters, roller blades, roller shoes, etc., may only be used off school property for safety purposes, except in designated areas.

Inclement Weather/School Closure

If school is canceled or started one or two hours later than normal, an email message will be sent to families via the Infinite Campus portal. A notice will also be placed on the Oregon School District website (OregonSD.org), and on OSD social media outlets. We make every effort to make this announcement by 6:15 a.m. If an announcement is made stating that school is to start late, bus drivers will make arrangements to pick up students one to two hours later.

Sometimes we need to dismiss students early. Please make plans for your student if an early dismissal is called. Your student must be knowledgeable of where to go and what to

do in the case of school being dismissed early. This requires that you and your student devise a definite plan of action. Set up a procedure for them to follow if you will not be home on such days. A plan may include any or all of the following:

- The location of an extra key where your student can easily find it to enter your home.
- Your cell and business telephone numbers are posted by the telephone at home so you can be reached.
- Arrangements with a friend and/or neighbor to have a place for your student to go should you not be home.
- Arrangements for a parent/guardian in your area or neighborhood to be the responsible person in the event that your student does not know what to do.

If we are open, but you feel that the conditions are not right for your student to attend school, you have the option of keeping your student at home on those days. Please notify the school office via the attendance line if your student will be absent and it will be excused.

Indoor Recess Requests

Based on consultations with medical professionals, we believe that if students are properly dressed and well enough to attend school they will go out for recess.

Days with a windchill/temperature combination of zero or below, or significant rain, will be an indoor recess unless the person(s) on duty decides otherwise.

A note from the student's physician will be required in the event that a student needs to stay in from recess for an extended period of time due to injury or illness.

Appropriate Dress

Students should dress appropriately for their wellness, comfort and activity level during the day, whether they are in-person or online.

It is the student's and family's responsibility to make choices that ensure physical safety and wellbeing while outside. Therefore, please help your student make good choices based on daily weather conditions. We recommend hats, mittens, and coats throughout the winter months.

Allowable Dress & Grooming

- All clothing must have fabric that covers the front, back (including midriff/lower back), sides, portion of the shoulder (straps), and buttocks of the body.
- Clothing must cover undergarments.
- Fabric covering all undergarments must not be see-through.
- Headwear must allow the face to be visible and not interfere with the line of sight to any student or staff.
- Clothing must be suitable for all scheduled classroom activities. Certain courses (e.g. physical education, science labs, technology education) may require specialized attire (e.g. sports uniforms, safety gear).

Non-Allowable Dress & Grooming

- Clothing may not depict, advertise, or advocate the use of alcohol, tobacco, e-cigarettes, vaping, jewelry, marijuana or other controlled substances, or other items not allowed on school property.
- Clothing may not depict pornography, nudity, or sexual acts.
- Clothing may not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation or any other protected class.
- Clothing may not depict unlawful use of weapons, promote violence and/or threaten the health or safety of others.
- Clothing may not disrupt the learning environment.

Any clothing created to represent OSD or its schools must be approved by the school administration.

Students who do not follow the appropriate dress guidelines may be subject to, but not limited to, any combination of the following:

- Request to cover the clothing and/or change to appropriate attire;
- Confiscation of item;
- Conference with school staff or administration;
- Verbal warning;
- Parental/guardian conference;
- Student sent home with parent/guardian approval to change clothing;
- Assignment to a different learning environment; and/or
- Assignment of educational learning opportunities.

School Meals & Snacks

We are proud to offer a nutritious breakfast and/or lunch to our students. Our breakfast and lunch menus are available on the food service website at OregonSD.org/food. You

can choose to print a hard copy or use our online interactive menus. Each breakfast includes an entree, fruit, and milk, and the lunch includes protein, grains, fruit, vegetables, and milk.

Students have the opportunity to purchase a breakfast or lunch through the USDA National School Breakfast and Lunch Programs. Families are able to apply for free or reduced meals, please see the information below on how to apply. Students are also welcome to bring their own lunch to school. Students who bring their own lunch but would like to purchase milk from school may do so through their student meal account.

You may load money to student meal accounts in two ways - online through the Infinite Campus Parent/Guardian Portal, or by sending a check to the school. Please always note your student's meal account number when sending a check.

If you are interested in purchasing breakfast or lunch, but need financial assistance, please fill out our Free and Reduced Application that is available on the Food Service website OregonSD.org/frmeals. If you need a hard copy, or have questions about the form, please call the Director of Nutrition at (608) 835-4036 or email at OSDMeals@oregonsd.org. You may submit an application at any point in the school year.

Eating Lunch With Students

Parents/guardians are welcome to join their student for lunch. Please follow our visitor process.

If anyone other than a parent/guardian is planning to visit during lunch, we will need written permission from the parent/guardian. You may email the classroom teacher using an email address that is listed in the Infinite Campus family account, or a written note can also be given to the classroom teacher along with a parent/guardian signature. We will need the name of the visitor and date of the visit. Each visitor will need to follow our visitor process.

Snacks

We support healthy eating habits as a key strategy for learning. Parents/Guardians may choose to send individual snacks to school for their own student (it would be ideal if they were nut free). For health reasons, we ask that parents/guardians not send snacks to school for other students. We will have snacks available for students who need them.

Celebrations

OSD welcomes students from all backgrounds, beliefs and holiday traditions. In order to respect the diversity of our school community, we are not able to celebrate holidays based on religions in our schools. Therefore, celebrations at school will focus on building community, connections and friendships. Additionally, OSD supports healthy eating habits for staff and for students, and recognizes that more and more students have food allergies. As a result, our celebrations focus on celebrating your student rather than food.

For these reasons, we ask that you not provide food for birthdays or other celebrations. Homemade or store purchased cupcakes, brownies, cookies etc. brought into classrooms will be individually bagged and sent home with the students in the student's classroom.

Celebrating your student's birthday at school is always optional. If you choose to do so, here are some ideas:

- choosing a book to read to the class;
- bringing an item for classmates to sign;
- choosing an activity break or game; or
- choosing an item from the birthday cart for grades K-4.

Medication

For safety purposes, students may not carry any medication. Parents/Guardians should bring medication to the main office and complete a medication form to provide us with all instructions. Medication will be secured in the main office.

BE A PART OF OUR SCHOOL COMMUNITY

Visitors / Volunteers

To help keep everyone safe, all visitors and volunteers must enter through the main door and check in with the office before entering the school. Please bring a photo ID. Your ID will be entered into the Raptor system in order for us to issue you a visitor badge. Your visitor badge should be visible when in our buildings. If you do not have a photo ID, please call the District Office at (608) 835-4091 and we will assist you.

All volunteers must apply in advance and pass a criminal background check. The application can be found on our website under the "Families" tab:

OregonSD.org/volunteer.

Please park only in designated parking areas and never leave unattended vehicles in

the traffic pick-up/drop-off/fire lane so that emergency vehicles can access our schools, if needed. Our schools are green and healthy, so everyone is strongly encouraged to turn off their vehicles when parked.

While visiting or volunteering in our schools, please refrain from taking photos of students to protect the privacy of others. You are welcome to take photos of your own student while on field trips, but not of other students as field trips are an extension of our classroom and have student confidentiality requirements.

Substitutes

We are always looking for dedicated adults who want to work in our schools, whether as a substitute teacher, paraprofessional, food service staff or custodian. You choose when, where and how often you work! We post all our positions on WECAN's website at <https://wecan.education.wisc.edu> and have paper applications in the District Office. Please call our Substitute Coordinator at (608) 835-4091 if you have any questions.

STUDENT EXPECTATIONS

Student Behavior Expectations

OSD is committed to providing a safe and respectful environment where all students feel welcome. To do this, all schools utilize a *Positive Behavior Intervention & Supports (PBIS)* approach to positively and explicitly teach children behaviors that are expected in our schools to establish a social environment where all children can succeed. Through PBIS, students learn how to be safe, respectful, responsible, and productive learners. These school-wide expectations are taught directly throughout all areas of our building, including settings such as classrooms, hallways, lunchrooms, and playgrounds.

On playgrounds, we have playground supervisors that wear bright vests so they are easily spotted. Please encourage your student to report any unsafe behavior to a playground supervisor.

If we are not successful in changing student behavior through PBIS, or if students engage in more serious conduct, then it may result in disciplinary action. You can find more information in Board Policy 434: Suspensions and Expulsions. If you would like a hard copy, please contact your school office. See also [432: Code of Conduct](#).

Legal Rights & Responsibilities

We also have Board Policies that not only reflect who we are as a school community and how we treat each other, but also to inform you of your legal rights and responsibilities, and provide you with guidance if your student is not feeling welcome at school. Here are specific policies we want to draw your attention to:

Non-Discrimination (Policy 157)

OSD shall not discriminate on the basis of race, color, national origin, sex, disability, age, sexual orientation, or gender variance in its programs and activities and shall provide equal access to the Boy Scouts and other designated youth groups. (Board Policy 157: Non-Discrimination / Harassment)

Anti-Harassment (Policies 157, 164 and 165)

OSD is committed to providing an environment free from harassment (Board Policy 157: Non-Discrimination / Harassment) and hate speech (Board Policy 164: Anti-Hate Speech).

Title IX also forbids discrimination or harassment on the basis of gender in the District's education programs and activities. (Board Policy 165).

"Harassment" means behavior toward pupils based, in whole or in part, on sex, race, national origin, ancestry, creed, pregnancy, marital or parent/guardian status, sexual orientation or physical, mental, emotional or learning disability which substantially interferes with a pupil's school performance or creates an intimidating, hostile, or offensive school environment.

"Hate Speech" means any form of communication that attacks, threatens, degrades or insults a person or group based on their race, color, national origin, ancestry, creed, age, gender, disability, sexual orientation, gender variance or any other group protected by Board Policy 157. It includes, but is not limited to:

1. Language, gestures or other actions such as using racial slurs;
2. Displaying, writing, or wearing items; or
3. Communications on social media or other technology.

If you have any questions, concerns or complaints regarding discrimination, harassment or hate speech, please contact your building administrator or notify the following District Office administrators:

Bullying (Policy 163)

OSD is committed to providing an environment free from bullying (Board Policy 163: Bullying).

“Bullying” is defined as deliberate or intentional behavior using words or actions, intended to cause fear, intimidation or harm. It is a form of victimization and involves an imbalance of power.

Bringing Items To School

Phones & Other Electronics

To provide the best learning environment, all cellular phones, smart watches, and other personal electronic devices must be turned off or silenced during the school day. They should be secured in backpacks or lockers.

To protect student confidentiality, there shall be no recording while at school except for events open to the public.

If a student needs to contact a parent/guardian while at school, the student should talk with a staff member for assistance.

Toys/Athletic Equipment

All items such as Pokemon cards, baseball cards, fidget toys, stuffed animals, electronic devices, matchbox cars, rainbow looms, legos, action figures and personal athletic equipment may not be used during the school day. These items must be secured in the student's backpack upon arriving at school.

OSD will supply all playground equipment that students may use.

OSD will not be responsible for any damaged, lost or stolen items if a student chooses to bring an item to school.

Firearms/Weapons/Alcohol or Other Drugs

Firearms, knives or weapons of any kind, or toys that replicate weapons such as cap guns or squirt guns are not allowed on school grounds, at school-sponsored events or on buses.

Alcohol, illegal drugs, or controlled substances where the person does not have a prescription, nicotine, tobacco, juuling, vaping, or other types of e-cigarettes are not

allowed on school grounds. (Board Policy 436). Items containing CBD oil are generally prohibited, but see Board Policy 558 for more details.

Desks / Lockers

If a student is assigned a locker, the student will be assigned a padlock and locker to secure their personal belongings. Students may not share and/or switch locks or lockers with other students. Student lockers, desks, and other such property are owned by the school. The school exercises exclusive control over the school property, and students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials, with or without the consent or notification of the student and/or the parent/guardian. Students are responsible for whatever is contained in desks and lockers issued to them by the school. If a student loses his/her lock, he/she should check with the main office. If the lock is not found, he/she will be charged the cost of new one (\$15.00). This must be paid before a new lock is issued. If the old lock is found, money will be refunded. Please keep your locker, valuables, clothes, and books locked up at all times.

Technology Use

OSD may provide chromebook(s) and other technology to students to support instruction. All students and adults using OSD owned or provided chromebooks, email accounts, remote wireless internet devices, and other technology must adhere to the expectations set forth in the Board Policies 771 and 441.

In general, students and adults should be sure to:

- Use respectful behavior and language.
- Stick to appropriate topic discussions.
- Send only appropriate video transmissions.
- Use only appropriate icons, emoji, and avatar submissions.
- Wear school appropriate clothing if attending meetings via video.
- Be honest and use academic integrity by not copying others' work.
- Protect passwords.
- Not falsify information about oneself or impersonate others online.

Privacy

All OSD issued technology remains the property of the OSD. To meet our legal requirements under federal and state law, and follow our policies, the OSD retains the right to access and review all electronic communications, transmissions, etc., contained in or used in conjunction with the OSD issued technology. Students and adults should have no expectation of privacy or confidentiality when using OSD owned or provided devices or other technology.

Treat Technology With Care

Students In Need Of Support

We know that these are challenging times and that students may need extra support. We encourage you to contact Student Services so that we may ensure your student receives the support they need. You can call your school's main office and they will connect you.

How To Request A 504 Plan or Programming in Special Education

OSD seeks to ensure that all students have equitable access to education. This includes identifying and locating students with qualified impairments or disabilities who need accommodations or services to make progress in their education. Accommodations may be provided through classroom accommodations and interventions or through more formal measures such as health plans, Section 504 Plans, or Individualized Education Plans (IEPs).

Referrals may be made by any student, staff member, parent/guardian, or concerned individual who believes that because of an impairment, a student needs an accommodation(s). Concerns may be brought to the teacher, nurse, principal, school psychologist, or Pupil Services Director, or they may be referred directly to the building consultation team for further discussion.

The school's team will review student data, problem solve, and determine interventions that can be implemented through a Multi Level System of Support framework (MLSS). This framework provides interventions in incremental levels of intensity or frequency beginning with the teacher and the general education classroom. Some examples may include but are not limited to accommodations such as preferential seating or sensory breaks, behavior plans or specific reinforcement or supports, or small group reading or math instruction in the general classroom at a tier 1 level; check-in/check-out connections or small group academic, social, or behavioral instruction occurring in or outside of the general education classroom at a tier 2 level; or more intense levels of instruction provided more frequently and often delivered outside of the general education classroom at a tier 3 level. The MLSS framework emphasizes equitable practices and ensures that interventions are data based and provided in the least restrictive, most inclusive manner possible for all students.

If, after problem solving a concern and/or implementing interventions, the school team determines that a 504 or IEP referral is appropriate, a Referral Form will be completed.

Following parent/guardian notification of the referral and procedural rights, the school psychologist or other special educator (teacher, speech pathologist) will assemble a team of knowledgeable school staff to be appointed for an evaluation of the student. An evaluation will be completed to determine eligibility. If a student is identified with a disability and found eligible, a 504 accommodation plan outlining student strengths, needs, and accommodations will be developed. If a student is identified with an impairment and needs specially designed instruction, an Individual Education Plan (IEP) outlining student strengths, needs, goals, accommodations, and specially designed instruction and services will be developed.

Parents/guardians are valued members of the team at each step of the MLSS, referral, and/or evaluation process. Although, least restrictive, incremental, interventions through the MLSS process are strongly encouraged, nothing precludes parents/guardians from requesting an evaluation for special education at any point in the process.

Outside medical providers or mental health professionals can make referrals, express concerns, and provide information to assist school professionals in determining eligibility or appropriate accommodations. Although information from outside medical or mental health providers or agencies is always considered by the school team, these outside sources cannot prescribe a plan or determine eligibility or what, if any, services are needed.

Significant health concerns should be brought to the attention of the teacher, principal, or the school nurse. The school nurse may develop a health plan to address the student's needs. Alternatively, the nurse may initiate a referral for a 504 Accommodation Plan or an IEP and follow the procedures outlined above.
