2018-19 School-wide Theme

Be an Everyday Superhero

This school year our focus will be on being an everyday superhero. We will be exploring and practicing using the everyday superpowers that we all possess. Some of these superpowers are; problem solving, emotional regulation, impulse control, perseverance, and spreading kindness.

Character Family

What is Character Family?

Character Families are groups of 12-14 students, from all grade levels, who meet with an assigned character family leader (NKE staff member) once a month. During this time the family gets to know each other and they learn about topics related to our PBIS expectations and school-wide theme. All students are assigned a family that they are a part of for the entire time that they are a learner at NKE.

2018-2019 Character Family Dates:

10/10, 11/20, 12/18, 1/24, 2/22, 3/20, 4/18, 5/30

PAWS

Positive Awards for Wonderful Students

PAWS are tickets that staff pass out to students when they "catch" them following or exceeding our school-wide expectations. Students can deposit tickets they earn into grade level buckets. Each week staff will draw the names of students from each grade level to be recognized for their hard work and leadership. In addition, individual classroom teachers may choose to use PAWS, within their classroom, as a classroom incentive.
