

Who Should I Contact About My Student?

Many times parents/guardians have questions or concerns and are unsure as to whom at OMS they should contact. While everyone at OMS is willing to be of service to you, the following chart may be of help. We encourage you to contact us whenever you have a concern. If after making the initial contact you feel you would like more clarification or discussion, contact the next person listed. All contacts may be made by calling the main office.
