

# Xello

## What is it?

It is an online platform that students can use to learn about their skills and interests, explore post-secondary options, create a four-year plan, create a resume, and more. We are providing this for all students so they can explore careers, learn about themselves, and be prepared for life after high school.

## What can I do with it?

- Take an Interest Inventory that matches your interests with potential career choices
- Identify your strengths and how they translate to careers
- Discover your learning style(s)
- Compare colleges and other post-secondary education opportunities
- Research careers, learn typical job responsibilities, education required, salary, and more
- Make a four-year plan for high school, identifying which classes to take each year
- Create a resume listing academics, accomplishments, work experience, community service, unique qualifications

## How to Log In

Go to: <https://login.xello.world>

Username: OREG-studentID (e.g. OREG-1234)

The screenshot shows the Xello user interface. At the top, there is a navigation bar with the Xello logo on the left and links for "About Me", "Explore Options", and "Goals & Plans" in the center. On the right side of the navigation bar are icons for search, a heart, and a profile picture. Below the navigation bar, the user is greeted with "HEY KELLY!". The main content area is divided into three columns: "ABOUT ME", "EXPLORE OPTIONS", and "GOALS & PLANS".
