# Oregon Middle School

"Learning for ourselves, each other, and the world."

Principal: Shannon Anderson · Associate Principal: Josh Iverson

601 Pleasant Oak Drive · Oregon, WI 53575 · Phone: (608) 835-4800 · Fax: (608) 835-3849

### Directions:

Please complete the reverse side and return it to the RCI Student Services Office before **MARCH 16, 2018**. If you have any questions, please contact Jan Neumann at 835-4810 or [jmneumann@oregonsd.org](mailto:jmneumann@oregonsd.org).

### Course Information:

- Students who join band, orchestra or chorus are expected to participate in all concerts/performance unless illness or family emergency causes a conflict.
- Students who wish to join band or orchestra but have not been previously enrolled must have a parent/guardian contact the teacher to discuss the program as well as instrument rental. **Participation in the summer lesson program is expected.** Orchestra contact: Tom Elmer at 835-4819 or [tce@oregonsd.org](mailto:tce@oregonsd.org); Band contact: Allison Jaeger at 835-4822 or [aljaeger@oregonsd.org](mailto:aljaeger@oregonsd.org).
- Music periods may be split for additional classes but not for a study hall.
- **Band** meets every day for the year. Students may be enrolled on a half-time status to allow for three classes.
- **Chorus** meets every day for the year. Students may be enrolled on a half-time status to allow for three classes.
- **Orchestra** meets every day for the year. Students may be enrolled on a half-time status to allow for three classes.
- **STEAM** meets every other day for the year. Students will engage in interdisciplinary learning in science, technology, engineering, arts, and math. This class will include critical and creative thinking, experiential learning, and problem solving. Students will engage in real world, hands-on, and collaborative learning. Some of the learning for this class will take place in outdoor spaces (OMS gardens, woods, etc.)

### Intervention Experiences:

Teacher recommendations, assessment data, and student achievement will be the basis for student placement in intervention classes. Parents will receive a notification of this recommendation during the scheduling phase in the summer. These interventions may limit the access to other classes for your child.

The following classes or experiences exist to promote literacy or math skills for students who may need additional support or growth opportunities:

- **Literacy Skills** - Meets every day for as long as necessary. Students meeting grade-level benchmarks may graduate mid-term.
- **Math Lab** - Meets every day and includes pre-teaching, re-teaching and coaching of math in order to support student growth and achievement.
- **Resource Study Hall** – Supported study hall for students who receive special education or ELL services.

**If you know your learner would need an intervention, please list their classes of choice by preference with “1” being the class he/she is most excited to take.**

\_\_\_\_\_ **Band** \_\_\_\_\_

\_\_\_\_\_ **Chorus** \_\_\_\_\_

\_\_\_\_\_ **Orchestra** \_\_\_\_\_

\_\_\_\_\_ **STEAM** \_\_\_\_\_

### Additional Information:

Other pertinent information about my child (IEP, ELL, 504, advanced learner or accelerated placements, interventions in place, social needs, etc.):
