Dear Oregon School District Families,

I am writing to share our weekly informational update. Our update this week includes the following topics:

- Distance Learning Updates
- School Placement for Kindergarten - Grade 6 Students
- Student Services Reminder
- Planning for Future Events

Additional details on each item are provided below.

Distance Learning Updates

This week marks the 6th week of distance learning! We continue to learn as we go and make adjustments as needed.

School Placement for Kindergarten - Grade 6 (K-6) Students

School placement letters were mailed to each K-6 grade student this week. Please watch for these letters in your mailbox. Additional information about school placements for all K-6 students is available at OregonSD.org/Placement.

An exemption request form will accompany the placement letters. Any family who wishes to request that their child attend a school other than where they were placed must submit an exemption form via mail or [online](#). *All exemption requests are due to the District Office by Friday, May 15, 2020.*

Student Services Reminder

This is a reminder that our Student Services team has created an after hours support line for students throughout the remainder of this school year. The support line is available from 5:00-10:00 PM, 7 days/week and can be reached by calling 608-835-4020. Please leave a message and your call will be returned. Additional information about this support line and a variety of other student & family resources is available [here](#).

Planning for Future Events

We are continuing to plan for future activities and events (e.g., retrieving items from schools, end of year ceremonies, summer school, etc.). We will share information about any upcoming events as soon as updates are available. The health and safety of students, staff, and families is our top priority and we are taking guidance from local, state and national health partners as we plan for future events.

I hope you have a wonderful weekend!

Sincerely,
Dr. Brian Busler - Superintendent
