

August 19, 2020

Dear Oregon School District Families,

I am writing to share updates on the Oregon School District Food Service program for the fall and to assess your interest to help plan for the timing and staffing of our food service offerings. Please complete this [interest form](#) to help us plan for the school year. Additional details about the program are below.

Free summer meal program ends Friday, September 4

It has been our pleasure to be able to offer free food to families since March when the emergency school closure went into effect. At that time, the WI Department of Public Instruction (DPI) issued a waiver that allowed schools to offer free meals to all families, regardless of need. This waiver ends on Friday, September 4, which means this will also be the end of this meal program.

Fall meal program begins September 8

We are excited to continue serving meals for the 2020-2021 school year in a “take and bake” style. When the new school year begins on September 8, the Department of Public Instruction requires that we transition to the normal requirements where families must pay for meals and can apply for free/reduced priced meals.

We will offer a drive-thru site at Netherwood/Prairie View daily as well as a delivery option to your home or wherever your students are within the district boundaries. Our current plan is to offer meals on a daily basis; however, this may vary for the delivery option depending on the numbers and locations of families who choose this offering. Meal prices for the 2020-2021 school year are below:

2020-2021 Meal Prices (per meal)

	Breakfast	Lunch
K-4	\$1.85	\$2.85
5-8	\$1.85	\$3.05
9-12	\$1.85	\$3.25
Reduced	\$0.30	\$0.40
Free	\$0.00	\$0.00
Adults	\$2.30	\$4.00

Help us plan by completing this 1-minute form

To help us finalize the details of our fall meal plan in terms of timing and staffing, please complete this [interest form](#). This is simply assessing interest and will be used for planning purposes. There will be an official sign up form as we get closer to the beginning of the school year, as we will need to gather more specific information from you (address, names of students, etc.) once our plan is set.

All families are welcome to participate regardless of paid, reduced, or free status. If you are interested in applying for free or reduced meals, applications are available at OregonSD.org/frmeals.

Please contact Sarah at osdmeals@OregonSD.org or 608-835-4036 for questions.

Thank you,
Sarah - OSD School Nutrition Director
