- Speakers will have three minutes in which to make their comments. Ms. Katie Heitz will signal the speaker when their time is up.
- The Board will not comment after each speaker and will reserve discussion to any items on the agenda. Speakers are welcome to stay for the meeting.

Approval Form – Field Trips NOT within the School Day (Board Policy 352)

Field trips, not held within the school day, which involve not more than a 400 mile round trip from Oregon or involve one overnight, must be approved by the building administrator or his/her designee and the Superintendent.

Field trips of greater distance or time must have approval of the building administrator or his/her designee and the Board of Education.

In scheduling field trips, advisors shall take into consideration major religious holidays and shall refrain from scheduling events on those dates to the extent possible.

A preliminary request using this request format must be presented to the Board of Education for approval prior to making any commitments to students or parents. The preliminary request must indicate if there is a possibility for a follow up competitive trip later on.

A final proposal should be submitted for Board approval at least 30 days prior to date of departure. A final proposal must include all data not available on the preliminary report.

Attach a proposal to this form that includes:

1 Objective of the Trip

Explain how this field trip is related to the curriculum.

I am excited to lead the proposed June 2023 eighth grade trip to Washington, D.C., as it aligns with the Oregon School District's mission "to educate by helping students acquire the skills, knowledge and attitudes needed to achieve their individual potential, to contribute to a changing society and be receptive to learning as a lifelong process." As a trip chaperone in 2019, I saw students engaged in intrinsically-motivated learning and inquiry while visiting some of our country's most recognizable and important sites. Students were encouraged to reflect on key moments in American and world history and consider the diverse perspectives of those who lived through those moments. The sites, memorials, museums, and monuments are testament to the impact our history continues to have on our lives, and students in the public education system should have the opportunity to access these public spaces.

This trip takes the lessons of the classroom and brings them to life in a way that can't be replicated in the classroom. Being able to interact with experts—docents, guides, chaperones, and tour leaders—on a variety of topics covered in history classes allows students to see and hear new information, including primary sources and first person accounts, on many of these topics. Students will visit the Lincoln Memorial and stand where Martin Luther King, Jr. delivered one of the most powerful speeches in American history, tour the United States Holocaust Memorial and see artifacts from victims and survivors, and experience the art and contributions of Black Americans at the Smithsonian National Museum of African American History and Culture.

2 Itinerary of the Trip

List dates, activities, name of tour company and qualifications (if applicable), transportation means, lodging, number of nights away, and activities as they relate to the trip/cause objectives.

The dates of the trip are June 12 - 16, 2023. We will meet at and depart from the Dane County Regional Airport on June 12 and arrive back at the Dane County Regional Airport on June 16. Please see [this document](#) for a tentative itinerary. Please note that the order of the events and activities on the itinerary may change slightly, but the events and activities most likely will not. Students and staff from Oregon Middle School have been traveling to Washington, D.C. with WorldStrides for over twenty years. [This](#)

webpage was created by WorldStrides as a resource for families, which includes information about the company's health and safety resources.

No OSD transportation arrangements are necessary.

Cost and Financing

3

Include plans which allow students to earn a portion of the cost, the amount of funds paid by the school district, booster clubs or student activity account.

The cost of the trip is \$2,499 per student based on 35 students attending and sleeping four to a room. Airfare, lodging, meals, and admission to all activities and locations (memorials, museums, etc.) are included in the cost.

Financing, scholarships, and earned credit options include:

- [FLAG Financial Assistance](#) - offered by WorldStrides and based on family income and trip price. Awarded on an individual basis.
- [Gift of Education](#) - technology tools students and families can use to fundraise on social media, provided by WorldStrides.
- Monthly payment plans offered by WorldStrides.
- WorldStrides will be giving a \$100 credit to the first 10 students that register.
- WorldStrides will be giving a \$100 credit for students registering within 48 hours of the parent meeting (held on 10/4/22).
- WorldStrides offers all first responders and military families and their dependents a 5% discount off their base trip price.
- I have offered to submit an application to [The Champions Fund](#) offered by the Friends of Oregon School District (FOSD) for interested families who meet the criteria for the fund. According to FOSD, the maximum amount for individual students is \$250. From FOSD's website: "Awards of funding are based on individual student achievement of educational goals despite barriers to learning as well as demonstrated family financial need." I have cautioned families that applying for the grant is not a guarantee that funds will be awarded.
- A \$600 fund from an anonymous donor will be divided among students requesting financial assistance. The funds will be credited to students' accounts by WorldStrides.

Chaperoning Arrangements

4

The adult-student ratio shall be at least 1:10. In advance of the trip, arrangements must be made for students requiring special physical accommodations and medications.

Trip leader: Lenore Hatton (8th grade ELA). I served as a chaperone on the 2019 Washington, D.C. trip.

Confirmed chaperones: Kim Walker (8th grade History) and Jason Symes (8th grade History). Jason was the previous trip leader and held that position for more than ten years. Kim has previous experience as a chaperone on this trip. There is at least one additional staff member who is eager to chaperone if more than 30 students register to satisfy the adult-student ratio.

Student information, such as allergies, medications, and special accommodations, are

	being gathered and recorded and will be shared with all chaperones and our WorldStrides Tour Leader.
5	<p>Time From School</p> <p>Detail the amount of missed class time by students and any arrangements for work make-up. (Utilization of non-class time including vacation/holiday/weekend days is encouraged).</p> <p>The trip will take place after the school year has ended.</p>
6	<p>Code of Ethics</p> <p>Behavior and rules of conduct shall strictly conform to the standards outlined in student handbooks and Board policy 8.17. Describe how this is communicated to students.</p> <p>The expectations for student conduct on the trip will be the same as the expectations during the school day or any other school function. This was shared with families and students at the informational meeting on 10/4. We will approach these communications like we would during a normal school day; students will be reminded of expectations throughout the day and retaught individually as necessary. Our tour guide will reinforce those expectations and explain rules of etiquette that students must follow while visiting memorials, museums, and spaces like Arlington National Cemetery.</p>

2023 Washington, D.C. & Charlottesville, VA Trip

Dear Parents and Students,

I am excited to announce that I will lead a group of Oregon Middle School students on a WorldStrides program to Washington, D.C.. On this once-in-a-lifetime adventure, students will explore our nation's most important historical sites and experience incomparable learning moments. This will be a trip that your child will be talking about for years to come!

Your child will return home excited to tell you about:

- Standing where Martin Luther King, Jr., delivered his "I Have a Dream" speech at the Lincoln Memorial
- Discovering the true meaning of sacrifice at the Tomb of the Unknown Soldier
- Walking in the footsteps of our great leaders on Capitol Hill
- Exploring numerous Smithsonian Museums, like the National Museum of Natural History and the National Air and Space Museum

I have chosen to travel with WorldStrides because of their exceptional service, their 50 years of experience, their safety record, and their preventive measures that ensure learning occurs in a safe and fun environment. I will chaperone the program with other teachers as needed, and throughout the program our group will be guided by a WorldStrides-certified Course Leader. This trip is school sponsored.

931: Electronic Surveillance of Public Areas (DRAFT 10/10/2022)

931.01 – The Board of Education has authorized installation of a video camera system. This system will be used exclusively for the purpose of maintaining a safe and orderly educational environment, for identifying disciplinary issues, for minimizing theft and vandalism and for enforcing school policies and rules. The video camera system installed in the schools shall be used according to the following guidelines:

- 931.01.1: Camera recordings will be monitored by individuals authorized by the superintendent or other administrators and only in compliance with state or federal law. Real-time monitoring of cameras is allowed to provide safe and secure entrances to buildings and for areas outside of buildings. Real-time monitoring shall not be allowed for areas inside of buildings except as needed for health, safety or maintenance reasons, to ensure the cameras are operational or as otherwise authorized in this policy.
- 931.01.2: Only individuals authorized by the superintendent or other administrators may view recordings.
- 931.01.3: The video camera system may be used for investigations. Should a video recording become part of a student disciplinary action, the recording will become part of the student's behavioral record consistent with the District's records policy and procedures. The District reserves the right to provide copies of recordings to law enforcement agencies as deemed appropriate by the superintendent and in compliance with appropriate federal and state laws.
- 931.01.4: Except as provided in 931.01.3, recordings will be kept no longer than ~~fourteen (14)~~ **thirty (30)** days.
- 931.01.5: Cameras are authorized for use in the following areas where the public, students, and/or staff have no reasonable expectation of privacy: entrances, hallways, commons, gymnasiums, parking lots, athletic fields, offices, and the exterior of buildings. No cameras from this video camera system shall be installed in classrooms except as provided in 931.02, with the exception of multi-use spaces, such as gymnasiums.
- 931.01.6: Under no circumstances will video cameras be used in any area where the public, students or staff have a reasonable expectation of privacy, including restrooms, locker rooms and health rooms.
- 931.01.7: No "dummy" cameras will be permitted, and all cameras will remain operational at all times.
- 931.01.8: Schools will post signs at all main entrances to the building regarding the use of video surveillance cameras.

931.02 – Except as provided for in 931.01.6, cameras may be used in other areas for limited term surveillance with the written authorization of the superintendent. Such approval shall be granted only in situations where the superintendent has reason to believe that a safe and orderly educational environment is at risk or to monitor areas where theft and vandalism are believed to be occurring.

931.03 – This policy shall be distributed through student and employee handbooks, district newsletters, on facility use request forms and by other reasonable means.

OREGON SCHOOL DISTRICT 2022-2023 School Year

TO: Board of Education
FROM: Dr. Leslie Bergstrom
DATE: October 10, 2022

AGENDA ITEM: C2 2023-2024 School Calendar

INITIATED BY: Dr. Leslie Bergstrom
SUBMITTED BY: Dr. Leslie Bergstrom and Jina Jonen

SUPPORTING DATA

Building the school calendar every year presents unique challenges as we try to balance the needs of our students, families and staff, along with maintaining a similar number of days per semester, scheduling around holidays, planning for inclement weather, and completing the school year the first or second week in June.

In September 2022, the District sent a survey about the calendar to all staff and families. We also met with representatives from the OEA about the calendar, and reviewed the preliminary survey results with them. On September 26, 2022, the Policy Committee discussed the process for building the calendar and analyzed the survey results. The OEA had representatives present at the Policy Committee and they shared their feedback.

Based on the survey results, discussions with the OEA, discussions with the administrative team, and the Policy Committee, we are recommending the attached calendar to the Policy Committee at its meeting on October 10, prior to the Board meeting. Should the Policy Committee approve a recommendation for a final calendar, we will bring it to the Board for approval. The Board can take action at its meeting on October 10, or its next meeting on October 24.

SURVEY RESULTS

We had 1,234 people respond to the survey. I have highlighted a few results below:

Non-Student Days

Regarding non-student days, the following number indicated “strongly prefer” or “prefer” to have these as non-student days:

- the Wednesday before Thanksgiving (67%)

- January 2 (56%)
- December 22 (55%).
- Martin Luther King, Jr. Day (38%)

Two-Day Breaks

The order of preference for a 2-day break was: October, February, then April

School Start Date

Under Wisconsin law, our District cannot start school prior to September 1 (unless we had year round school). See Wis. Stat. s. 118.045. DPI can consider approving an earlier start date in a particular year for extraordinary circumstances, none of which apply to our District for 2023-24. They include reasons such as a major construction project, a school closure for forces of nature, and excessive costs for transportation of students to private school where that school starts earlier. See Wis. Admin Code PI 27.03.

When asked about starting school September 1 in order to provide another 2-day break during the school year, 51% indicated they preferred that route. When looking at only families, 48% preferred we do so.

Professional Development Days

- More respondents than not preferred the Board schedule professional development days around holidays to provide students with longer breaks (36%)
- For families, Friday is the most preferred day for PD (52%) and then Monday (19%)
- For staff, Monday is the more preferred day (36%) and then Friday (31%)

Ready Set Go Conferences

During the past few years, the District has offered Ready Set Go Conferences to grades K-8 (RSG). For our families, 71% strongly preferred or preferred the District continue RSG; 29% had no preference. Only 4% indicated they preferred or strongly preferred the District not hold them in the future.

For staff, 50% strongly preferred or preferred the District continue RSG; 40% had no preference. Only 10% indicated the District should not hold them in the future.

Reasons supporting RSG included: students building a relationship with the teacher before school started, students feeling more comfortable and less anxious when starting the school year, families having an opportunity to meet the teacher prior to the school year starting, families could bring school supplies in early.

Respondents had excellent suggestions about how to make RSG even better, such as sending out the dates earlier and considering additional formats, such as open houses and virtual options.

We will be working with the OEA and the administrative team on the RSG process in the near future to consider this feedback.

DRAFT CALENDAR 2023-24

You will see on the proposed calendar that we tried to best incorporate the feedback from our stakeholders. We will discuss further at our meeting; here are the key points:

- We were able to start school September 5 and have two 2-day breaks;
- The 2-day breaks are in October and in February as preferred by staff and families;
- The Wednesday before Thanksgiving is a non-school day;
- We balanced professional development days between Fridays and Monday to meet staff and family preference; and
- The last day of school will be the first week of June and prior to graduation.
- We built in three days for inclement weather. If we have fewer than three days, school will end earlier. We make that decision in April once we are confident that we won't have additional inclement weather days.

SUMMARY AND RECOMMENDATION:

We will be asking the Policy Committee to recommend to the Board the attached calendar for the 2023-24 school year. We will be asking the Board to approve a final calendar based on the Policy Committee's recommendation.

We greatly appreciate the time that everyone spent sharing their feedback.

#	RESPONSES	DATE
1	It's awesome!! Helps my kiddo feel so much better about the first day of school!!	9/25/2022 2:41 PM
2	It was really nice this year to have the 8-hour contracted work day with NO MEETINGS/PD scheduled to prepare our classrooms (during contract time) for the RSG conferences. If we continue to have the RSG conferences, I think giving staff this contracted time is critical.	9/24/2022 10:26 AM
3	They are very important.	9/23/2022 10:53 AM
4	My kids love being able to meet their teacher and see the classroom before they start! I think it relaxes some of the first day nerves and they are more confident with where they are going.	9/22/2022 9:10 PM
5	I prefer that teachers would not be expected to interrupt their designated summer non-contract work days to accomodate families who do not to attend OSD's designated RSG time slots.	9/22/2022 4:03 PM
6	I find it valuable to meet with families before the start of the year. However, 20 minute time slots seemed a bit too much time. I would also recommend not scheduling them until 8. This seems late for elementary students and it is hard for staff who have families of their own to be gone all day and into the evening. I feel like we keep hearing the message that district	9/22/2022 3:57 PM

administration hears the concerns teachers have about workload and stress levels and want to help alleviate as much stress as possible and retain teachers; but then teachers are asked to create schedules and email families during their summer break. These types of asks seem to contradict what the administration is saying to teachers. If you truly care about staff making time for themselves and balancing work/family, then why are they asking us to add more to our plate? Teachers should also have input on when RSG conferences take place. We received an email outlining the dates and expectations but weren't given input on what works best for the people actually doing the conferences. There is a lot more work that goes into holding these conferences than just having a meeting with families.

7	I would increase the length of each conference to 25/30 minutes, and would have the teachers ask information from the kids regarding their learning preferences and what they enjoy.	9/22/2022 3:05 PM
8	Loved the Ready Set Go Conferences! So nice to meet the teacher and see the room my kiddo will be working in.	9/22/2022 11:51 AM
9	I feel that conference time in the Fall is a better time for me to have 1:1 conferences with parents. I would like them to have time to drop off supplies, but a quick in and out is preferred.	9/22/2022 7:21 AM
10	The educators are doing a great job with this, and making the kids comfortable entering the next grade level each year. Plus it's a nice opportunity for parents to meet their children's teachers.	9/21/2022 8:53 PM
11	I like the opportunity it gives my children to meet their teachers, but at the same time I feel it puts another layer of work on the teachers that isn't really necessary.	9/21/2022 7:34 PM
12	As a parent who is new to the school with a kindergartner, I found this opportunity nice for both the student and parent.	9/21/2022 3:57 PM
13	The students need an opportunity to drop off materials, briefly meet the teacher, and briefly see the classroom. They don't need 20 minute individual conferences.	9/21/2022 2:41 PM
14	The allocated, contract time was appreciated to complete these conferences at the beginning of the year. To accommodate family schedules, it was nice to offer day and evening times.	9/21/2022 1:19 PM
15	Very helpful particularly for students moving into new schools, and a great opportunity to help remove any anxiety or tension prior to the first day of school. Highly recommended we continue this practice.	9/21/2022 12:18 PM
16	Please leave teachers flexibility in scheduling RSG conferences.	9/21/2022 11:22 AM
17	As a teacher in the district, if we are going to continue Ready Set Go Conferences, I would like to be able to schedule them myself versus having the set times like we did this year. I was not able to attend my own three children's conferences. I had 21 time slots and 20 kids so did not have a break at all for four straight hours that Wednesday night. I'd like to see us able to schedule them when it works best for us, with some obvious parameters.	9/21/2022 10:25 AM
18	Teachers should be compensated for the extra time it takes. It's not just the time of the conferences themselves but the planning and getting ready for them takes a lot of time. Also, since teachers need more time to get ready, I would prefer the conferences be the week before school starts instead of two weeks before which feels like it cuts our summer vacation short.	9/21/2022 8:09 AM
19	As a parent I like being able to connect with the teacher.	9/20/2022 9:14 PM
20	They sometimes seem very perfunctory, depending on the teacher.	9/20/2022 9:00 PM
21	I enjoy meeting teachers/navigating schools before school starts. It has helped both of my children be better prepared for the 1st day.	9/20/2022 3:09 PM
22	As a special ed teacher, these conferences are very hard to schedule and what I see happening in classrooms is often times something that could be done in an open house format without the scheduling issues.	9/20/2022 2:34 PM
23	With many summer activities wrapping up in mid-August, lots and lots of families go on vacation in mid-to-late August before school begins. It would be great if the options for Ready Set Go Conferences spanned two weeks - a Thursday one week and a Monday/Tuesday the following week. If the options for conferences were spread out over two different weeks you could catch people one week or the other.	9/20/2022 12:54 PM
24	More options for evening when we are not at work.	9/20/2022 12:47 PM

25	I love them:)	9/20/2022 12:35 PM
26	It was nice for both students and parents to get to walk around new schools, find rooms, talk to teachers, organize lockers.	9/20/2022 11:44 AM
27	The sooner we can get the date out to parents, the better. This year my child was not able to attend because two weeks before the date came out we made plans for him to visit grandma and grandpa. He joined virtually which wasn't ideal.	9/20/2022 11:43 AM
28	This is an event that I preferred during heavy Covid years, I think it made more sense then. As of now, it feels like it is taking a huge amount of time and effort to prepare for in the summer. I would prefer an open house style again for school supply drop off. We could still schedule small groups of families throughout this time. I just prefer no more 1:1 sessions for 20+ class sizes at the beginning of the year.	9/20/2022 11:22 AM
29	At RCI it is more of an open house vibe which is great for most kids and families but overwhelming for my [REDACTED]. In the future it would be great to have a separate, more calm, time for him to come and meet his teachers (even just 20-30 min before). He'll be at OMS next year.	9/20/2022 10:37 AM
30	It's one of the few 1:1 times we get with a teacher. Please keep.	9/20/2022 9:19 AM
31	I would rather have more PD for teachers during the year so that my student can have more time off. Use those hours during the year.	9/20/2022 8:53 AM
32	We love them. It's great for both us and our kiddos to meet their new teachers and get familiar with their new locations/spaces.	9/20/2022 8:52 AM
33	Would be helpful to have ready set go conference dates published with school calendar so families can know sooner then a week and half before they are to occur.	9/19/2022 9:43 PM
34	It would be helpful to have the ready set go spread out over 2 separate weeks vs both days in the same week. Many families take vacations the latter part of August and this would give options if for one of the weeks families were out of town.	9/19/2022 9:41 PM
35	Consider timing right before the start of school to have fewer conflicts with family vacations when most camps and childcare are closed.	9/19/2022 8:24 PM
36	None	9/19/2022 4:46 PM
37	As a teacher, it was nice to meet students and families, but 20 minutes/family was a long time and a large portion of our inservice time. I would prefer shorter and/or more informal meetings and more time to prepare for the school year.	9/19/2022 4:21 PM
38	They are great for students who are transitioning into new schools or buildings.	9/19/2022 3:04 PM
39	RSG is a huge burden on my elementary colleagues for what I would argue is small benefit for the families. Keep a back to school night where people come in, drop off supplies, and meet the teacher if you want but stop making elementary teachers work all of August to set up, notify, and hold RSG.	9/19/2022 2:09 PM
40	I love the one on one time my kiddos get to have with their new teachers as it eases some of the beginning of the year nerves and jitters.	9/19/2022 1:30 PM
41	Its been a great experience for both our daughters to meet their teachers and see their classrooms, put supplies away, etc. Would love to see this continue in the future.	9/19/2022 10:44 AM
42	n/a	9/19/2022 10:09 AM
43	They have been very helpful as a quick check in with the teacher.	9/19/2022 9:56 AM
44	I enjoy this as a parent and my kids transition more easily having met their teacher and seen their classroom. I would prefer a parent conference/ grades prior to February.	9/19/2022 9:38 AM
45	Very helpful for the students to get to know the school, their teacher(s), locker assignments, etc. They should continue.	9/19/2022 9:21 AM
46	It has really helped me with starting the year, getting to know my middle school students on an individual basis, before they are put into school with large groups of students. I love having RSG conferences to start the year on a positive note.	9/19/2022 9:03 AM

47	They appear to be a huge amount of work expectation for staff and need to be reworked to achieve a better balance.	9/19/2022 8:55 AM
48	Our Ready Set Go conferences for both children felt forced and awkward, and frankly, a waste of time. One teacher did not have any sort of agenda and we spent time with a lot of awkward silence as our daughter was put on the spot to ask questions. I would rather do traditional supply drop off or just do an open house night.	9/19/2022 8:23 AM
49	The RSG conferences are a great way for the kids to see their classrooms before the first day of school, which can already be overwhelming. Being able to drop of school supplies, meet the teacher, pick out a desk and meet their teacher is really appreciated.	9/19/2022 8:18 AM
50	I feel that RSG are helpful for classroom teachers but not every teacher in the building (paras, music, PE, etc.) and principals use these staff as "support" during this time which does not feel equitable or respectful to their job. For example, at RCI the "purples" (PE, music, art, etc.) had one hour shifts where they greeted families at the door and showed them to their rooms. However, they are all partnered with a classroom teacher for SEL and could easily be with them to learn about the students they will share.	9/19/2022 7:27 AM
51	For younger grades I would recommend maybe having a few families come at once so children have the ability to meet some students before the school year starts and see a familiar face on the first day as well as for the parents too.	9/19/2022 12:48 AM
52	It was nice to meet the teachers and get familiar with the school/classrooms.	9/18/2022 11:45 PM
53	The idea to connect families and teachers is great. Wondering if these meetings could be condensed, similar to when we had school supply drop off with multiple families at one time.	9/18/2022 10:41 PM
54	Do not make changes to the R,S,G schedule within the summer months - staff may not be accessing their email. Schedule was difficult to interpret.	9/18/2022 10:03 PM
55	I noticed that they were very early in August. Our family travels in August, so we would prefer something in or closer to September.	9/18/2022 8:46 PM
56	Hours for school supply drop off are not convenient for working parents.	9/18/2022 7:58 PM
57	More options than the 1-2 weeks before school	9/18/2022 3:47 PM
58	Schedule them in advance with more notice	9/18/2022 1:15 PM
59	I love that our kids get to visit their new classroom, teacher, and we as parents get a 1:1 opportunity to talk about how the classroom is ran and expectations for our children	9/18/2022 12:34 PM
60	We have really enjoyed meeting the teachers and seeing the school/classroom during Ready Set Go Conferences. We have not always been able to attend during the teachers' scheduled times, but the teachers have always been flexible and allowed us to come in at a different time. We really appreciate this, as it helps the kids feel ready and excited to start the school year.	9/18/2022 11:15 AM
61	More notice of timing of conferences is always appreciated or virtual options	9/18/2022 8:45 AM
62	Please give families more notice of the expected dates- ideally at the end of the school year- so vacations/work can be adjusted. Please allow virtual options.	9/18/2022 8:45 AM
63	We think RSG was a great introduction and I loved the kids could take their supplies early.	9/18/2022 8:25 AM
64	I think they are great for kids coming into a new school.	9/17/2022 8:16 PM
65	None	9/17/2022 7:46 PM
66	Very impressed with this process. This is mentally healthy for the kids to go through and is also very helpful for the parents. Thank you for thinking of this.	9/17/2022 7:00 PM
67	They are a great opportunity to meet with families before school and for them to have a dedicated time to set up the locker. It's a really long day, but feels way less hectic. We can give families our attention unlike an open house setup which can have a rush then a lull. It also gives families many choices in when they can attend. Offering early and late options is important to keep. One note - RSG conferences take more than the 8 hours allotted, especially with the setup, communication and rescheduling. Staff should have at least 10 hours, but more realistically 12 hours for RSG conferences.	9/17/2022 3:46 PM

68	Would like them added standard to the calendar as it seemed that each school had a different day and it wasn't on the calendar so we were on vacation.	9/17/2022 2:03 PM
69	I suggest sending out dates for Ready Set Go prior to a couple days before they begin. It would be helpful to be able to plan a little further in advance (perhaps ~ 2-week lead time).	9/17/2022 12:40 PM
70	Love the conferences! With only one week this year I had to miss attending my daughters but my husband could take her.	9/17/2022 10:10 AM
71	We had at least a couple of these and found them helpful. One in particular gave us a huge amount of confidence heading into the school year.	9/17/2022 9:58 AM
72	If teachers are holding Ready Set Go conferences, they should be paid in full for those.	9/17/2022 9:29 AM
73	I liked the opportunity to talk to my child's teachers individually before school started.	9/17/2022 9:17 AM
74	I feel that the conferences have really helped my kids to feel prepared to start the school year. This helps our little people to have some additional confidence to start. :)	9/17/2022 2:14 AM
75	Incredibly valuable way for my elementary kids to meet their teacher in a one-on-one setting prior to school starting. It really helped alleviate their anxiety.	9/16/2022 7:23 PM
76	Educators should provide an agenda to parents ahead of time.	9/16/2022 7:19 PM
77	I would like to see RSG conferences change format. 4 hours that include more of an open house where multiple families sign up for different blocks of time and 4 hours for families that have a specific need to meet 1:1 with the teacher.	9/16/2022 6:49 PM
78	This year we had several families who had vacations planned the week of RSG which meant using more days and times to schedule around family plans. It was also challenging for teachers with students in the district. I think it is valuable to continue, but the timing and advance notice could be helpful for families.	9/16/2022 6:35 PM
79	Let us know in advance (like 3-12 months) what week they'll be so we don't schedule vacations during them.	9/16/2022 3:58 PM
80	Please include a reminder to bring things to setup the locker on the day of this conference.	9/16/2022 3:19 PM
81	As a parent, I really appreciate the opportunity for my child and our family to meet my child's teacher ahead of time. This is so very valuable and appreciated. Thank you!	9/16/2022 1:17 PM
82	I liked the people giving a tour at the end of the conference at BKE. Not done in the past.	9/16/2022 12:49 PM
83	It is a great way for the kids to meet their teacher, see their new classroom before the first day and bring in supplies so they are ready to start.	9/16/2022 12:29 PM
84	As a teacher at the high school, I see my colleagues in the lower grades needing to start working in early August to plan for RSG. This not only cuts into their summer break, it is not contracted time, nor is it equitable for them to do all of this work when the upper grades do not. Additionally, they are also still having a Back to School Night! I know the families may like it, but it is way too much work for the teachers. It is more than the 8 hours they received this year.	9/16/2022 12:25 PM
85	Great way to give kids a chance to meet their new teacher(s) and feel more confident and comfortable for the first day of school.	9/16/2022 12:05 PM
86	None	9/16/2022 12:02 PM
87	It would be nice if they were a little longer to allow for more "get to know you" time - both for student and parents.	9/16/2022 11:49 AM
88	Do teachers get compensated for this time?	9/16/2022 11:39 AM
89	I think they have positive benefits. I also think that if we are to continue them that the district continue to provide a lot of classroom time for teachers to prepare as far as beginning of year PD.	9/16/2022 11:38 AM
90	I love these - it's a great chance to meet my child's teacher and see the classroom. It also helps my child feel more comfortable with the new teacher and the new classroom. I would be very disappointed if these were no longer offered.	9/16/2022 11:36 AM
91	One way to better include rotation teachers is to have an "open house" set up where students	9/16/2022 11:24 AM

complete a game card (check off paper) by visiting each rotation teacher. Rotation teachers can have a quick content related activity available for students/family to complete before getting their game card marked.

92	Excellent idea!!!	9/16/2022 11:09 AM
93	I would prefer that they are scheduled closer to the start of the school year. Many families take vacation during the last two weeks of August because camps are closed and there is no childcare.	9/16/2022 10:50 AM
94	It is very nice to make an in person connection for both the parent and the student so the teacher can learn a little about them and so they can ask questions or advocate for their student or the student for themselves to ensure a successful school year	9/16/2022 10:27 AM
95	As a parent of a new Kindergartener, this was very useful in introducing our child to the school, letting her meet her teacher, and easing transition into the first day of school.	9/16/2022 10:16 AM
96	Please offer a night on two separate weeks so families can be gone one week and not miss out totally. We vacation annually in August and end up missing RSG conferences because they're only offered the one week we are gone.	9/16/2022 9:56 AM
97	I like having the opportunity to meet and greet students before the school year starts especially in kindergarten. It is a nice way to answer parent questions. If we were not to have Ready, Set, Go in the future, I would like to do a parent info night where parents could bring their children's school supplies, get general info about our classroom, and have their school questions answered.	9/16/2022 9:54 AM
98	For students who loop with the same teacher/classroom I expected the conference to be less time consuming. I would have preferred that the invitation included information about how much time we were expected to spend completing the welcome-back activities.	9/16/2022 9:50 AM
99	The conferences are wonderful, it greatly improves my children's confidence in their class and teacher.	9/16/2022 9:47 AM
100	It would of been nice to meet more teachers at OMS	9/16/2022 9:33 AM
101	For our family, it seems like they were the most beneficial for grades K and 1. It is still nice to have the teachers meet the kids one on one, though, prior to the school year starting.	9/16/2022 9:26 AM
102	More than 8 hours was spent on RSG conferences.. With 2, 3, or even 4 reach outs to families to get a time set. Also, being flexible to their availability. I would say more like 10+ hours was spent preparing and participating in RSG conferences. Some teachers have higher student counts than others. I completed 24 while other teachers in my school had 19. We were also asked to reach out on non contract days to families.	9/16/2022 8:57 AM
103	Great way to meet my students.	9/16/2022 8:55 AM
104	Maybe for more targeted cases since jumpstart is available. Could move jumpstart closer to the beginning of the year?	9/16/2022 8:23 AM
105	Both kids and parents in our family love these early conferences. It's nice to get to know teachers face-to-face before the school year begins. It also calms any nerves about new classrooms/schools too. Nothing but positive feedback for these!	9/16/2022 8:20 AM
106	Those conferences are key to helping incoming students get their footing at their new school before facing the returning "upperclassmen" (6th, 8th, & 10th - 12th graders, respectively).	9/16/2022 8:17 AM
107	This is a great opportunity to meet the teacher and drop off supplies.	9/16/2022 8:17 AM
108	All conferences scheduled on the students first day of school.	9/16/2022 8:16 AM
109	I like the idea but I feel like we lose August as a break. I was in at the beginning of August trying to get everything figured out before we had ready set go conferences. Could we possibly do virtual and have parents pick up materials at their leisure?	9/16/2022 8:01 AM
110	This is a great way to gear up for school. My kids enjoying meeting their teachers and seeing their new classroom. I also really enjoying seeing where my kids will spend their time and interacting with the teacher before school starts.	9/16/2022 8:01 AM
111	I wonder about the need for case managers at the high school level to have this as an option.	9/16/2022 7:48 AM

112	Though I teach at OHS, I find it profoundly problematic that K-8 teachers were required to work in early August to set up RSG conferences. This is an extreme intrusion into a time that should be theirs to recover between school years or work at their own pace on curricular revisions. There should not be any requirements placed on teachers until the first official day of PD in August. This insidious "creep" of job expectations is among the factors driving teachers out of the profession.	9/16/2022 7:40 AM
113	I think the high school should have Freshman only on September 1st. My students in Connections feel like this would be very helpful to meet their teachers and learn their schedules before classes begin, rather than Freshman Orientation a few weeks prior to the start of the school year.	9/16/2022 7:37 AM
114	I found it hard to to plan for Ready, Set, Go Conferences as my goal was to foster meaningful conversation to start building relationships. This was able to be done with some families but with others it was more of a superficial informational conversation.	9/16/2022 7:35 AM
115	My kids like meeting their teachers and seeing their rooms before the first day. It relieves some anxiety	9/16/2022 7:34 AM
116	I love these, and find them very helpful. As long as it's not too much of a burden on the teachers, I'd prefer to keep them.	9/16/2022 7:34 AM
117	It has been nice to meet the teachers and see my student's classroom. This year I really appreciated the late evening options on Tuesdays.	9/16/2022 7:01 AM
118	They were helpful when my kids were younger, helping them feel comfortable and more confident.	9/16/2022 5:59 AM
119	I think it helps the kids ease back into school and be less nervous. And nice for the kids to have time to talk to there teacher without other kids around and create some rapport/connection. Also eases us moms/parents who have never meet the teacher feel at peace of who our kid is going to be spending their days with.	9/16/2022 5:55 AM
120	For my children I believe it takes away some of the anxiety of the first day of school by getting that time to meet their teacher and see the classroom.	9/16/2022 5:29 AM
121	I think it is a good idea for students who have never attended that school (like my kindergartener). But did not feel the need for returning students.(like my 3rd grader)	9/16/2022 4:37 AM
122	To ask that the classroom teacher offer flex dates for families on vacation when possible.	9/16/2022 4:26 AM
123	My kids have autism and these conferences are critical to establishing relationships with teachers and preventing meltdowns the first day of school.	9/16/2022 2:07 AM
124	It was a great meeting for my kindergartener to see the school and meet her teacher!	9/15/2022 11:07 PM
125	Love these conferences. It's nice to meet the teacher, drop off supplies, and our kiddo love it - reduces some of the first day nerves.	9/15/2022 10:56 PM
126	This is a good start that helps a lot parents and students to familiarize with the teacher and releases stress.	9/15/2022 10:39 PM
127	I highly encourage to continue, I think it's chance for parents to meet teacher early on. Also, easier for student to get first introduction before meeting other students.	9/15/2022 10:36 PM
128	So far the school year is going great	9/15/2022 10:26 PM
129	I think they are good for the kids!	9/15/2022 10:04 PM
130	I do feel like it helps the younger kids feel more excited and comfortable to go to school. I also prefer this for supply drop off	9/15/2022 9:59 PM
131	We love these as a kick start for the year and to calm the nerves of our kids prior to starting back and getting them excited about the coming year.	9/15/2022 9:50 PM
132	These conferences have greatly helped my children transition into school comfortably without tears the first day of school. I think there would be tears if they didn't know what to expect or meet their teacher before the first day.	9/15/2022 9:19 PM
133	Great way to start the year and introduce us and our learner to his new teacher, school, classroom etc	9/15/2022 9:15 PM

134	I like being able to meet my child's connections teacher face to face. There are not that many opportunities during the school year to meet them.	9/15/2022 9:04 PM
135	for our Kinder student it was wonderful to meet the teacher and see the school for the first time.	9/15/2022 9:00 PM
136	Host earlier in August versus the week before; typically families are out of town/end of summer vacations, etc.	9/15/2022 8:46 PM
137	I would like to ask questions about my child and do not think that it is fair to them to be a part of that, if I have concerns. Also, I do not think that the teachers share as much with the student there. Then, we have 6 peoples schedules to work around in stead of 1 or 2.	9/15/2022 8:41 PM
138	I think these conferences are a great way to meet new teachers and let the kids get to know their classroom environments	9/15/2022 8:14 PM
139	Ready Set Go Conferences provided my child a wonderful opportunity to meet his teacher and begin to develop some comfort with his school and classroom. This short conference helped calm my child's anxiety and relieve some of his fears.	9/15/2022 8:10 PM
140	It was more than 8 hours of prep for RSG conferences. 10-12 hours is most fitting.	9/15/2022 7:40 PM
141	It's a huge comfort for my child to have a heads up on what's to come.	9/15/2022 7:36 PM
142	It has provided such a great opportunity to get to know teachers before the first day. I love them!	9/15/2022 7:24 PM
143	More time even if it was just an extra 5 minutes	9/15/2022 7:18 PM
144	Great for young kids to understand class location, meet teacher and bring in supplies to ease first day jitters.	9/15/2022 7:09 PM
145	I think that dropping off supplies, finding lockers/classes, and meeting teachers can be open house style and not 1:1 for every child. I also think it was too early this year.	9/15/2022 7:07 PM
146	I believe this is a great way to meet parents before conferences.	9/15/2022 6:43 PM
147	It's a great way to get to know the teachers and classroom. At least for the littler kids, I think it's nice!	9/15/2022 6:34 PM
148	I felt that I was able to make a quick connection with parents and students before even beginning the year. I felt that it was especially helpful for the 4th to 5th transition to RCI.	9/15/2022 6:33 PM
149	Jumpstart is great. Ready Set Go could be an optional thing should the student have needs to discuss prior to the start of the year. More targeted I guess.	9/15/2022 6:32 PM
150	We enjoy these conferences and appreciate the time teachers take to meet our kids.	9/15/2022 6:29 PM
151	Continue to offer other options if these dates don't work.	9/15/2022 6:22 PM
152	Parents should be give a copy of the curriculum!!!	9/15/2022 6:14 PM
153	I would prefer a classic "Meet the Teacher" night with more things around the school for families to do. RSGs as they are now are generally very short because the interview style is pretty intense for the littles and can also be hard for parents to be fully open about their child while the child is present.	9/15/2022 6:05 PM
154	Having them closer to the first day would be helpful. We always vacation in mid-August, due to work schedules.	9/15/2022 6:05 PM
155	As a teacher we need to be compensated for the time spent creating and setting up conferences prior to the inservice days.	9/15/2022 5:58 PM
156	I think it's a great way to get a quick face-to-face with the teachers prior to the first day of class.	9/15/2022 5:27 PM
157	I believe RSG conferences were great when we were all learning from home during the COVID year. It was great to make connections in that way and it was so needed. Now I believe an open house would suffice. Most students attend jump start and have no questions. In an open house, I can meet many more students and families, whereas with RSG I meet 12-15. As an educator, I already work to meet the students and their families throughout the year.	9/15/2022 5:22 PM

158	They have been great for our younger kids to make them feel a bit more comfortable with the school and the teachers	9/15/2022 5:19 PM
159	Longer time with teachers.	9/15/2022 5:19 PM
160	This year it felt pretty rushed.	9/15/2022 5:14 PM
161	I find after Ready Set Go, my boys get excited about school because they've met their teacher and found out who is in their class. It relieves some of the anxiety that goes along with beginning a new year.	9/15/2022 5:12 PM
162	I think it is great and needed!	9/15/2022 5:06 PM
163	If possible, sent out dates in early August as a "save the date".	9/15/2022 5:06 PM
164	Better accommodation for split families who work different shifts to accommodate those that may not attend during noon-9pm hrs but still would like to stay in touch with school and also have an opportunity to engage with teachers, families and other staff.	9/15/2022 4:55 PM
165	I prefer to have a two-hour time for families to come to the classroom, meet the teacher and drop off school supplies. For any families unable to attend, the teacher would need to schedule a time during inservice for them to come in.	9/15/2022 4:42 PM
166	My kids have enjoyed getting 1 on 1 time to chat with the teacher before the first day, really eases anxiety!	9/15/2022 4:20 PM
167	I loved the opportunity for my boys to have a moment of one on one time with their teachers and I appreciated the chance to get to know them a bit too - it helps put names and faces together.	9/15/2022 4:19 PM
168	For special education teachers, having them meet with their caseload. I had to do additional meetings between my connections students and special education caseload	9/15/2022 4:16 PM
169	I like seeing the classroom and meeting the teachers!	9/15/2022 4:15 PM
170	Don't schedule during Epic's UGM week, the last full week of August.	9/15/2022 4:00 PM
171	This was an excellent way to ease jitters for my kindergartner	9/15/2022 3:55 PM
172	I very much appreciated the Ready Set Go Conferences. Especially now, with not really being allowed inside the school or classrooms, it gave me and my child an opportunity to see the space and meet his teacher together. I have a better idea of what his day-to-day looks like and can ask him better questions/have better discussions about his time at school as a result. I also think it made his first day easier, as he knew what he was walking into and had started forming that initial familiarity and relationship with his teacher.	9/15/2022 3:44 PM
173	SO MUCH EASIER TO COMMUNICATE IN PERSON WITH TEACHERS (& MEETING THE TEACHERS IS GREAT FOR THE PARENTS)! ALSO BETTER FOR THE STUDENTS TO MEET THEIR TEACHER, ALSO!	9/15/2022 3:41 PM
174	Please give teachers and families notice when these will take place ASAP. Families plan vacations because many daycares are closed the week RSG conferences are held. This causes schedule conflicts for all! If you do have RSG conferences, please have them close to the first day of school or the week of the first day of school! Give families the option of having a RSG conference or a traditional "Backpack Drop Off"/open house format.	9/15/2022 3:34 PM
175	Ready Set Go Conferences are the most time consuming and strenuous for homeroom teachers. Can they be compensated differently?	9/15/2022 3:30 PM
176	Not scheduled at a time easy to come to.	9/15/2022 3:30 PM
177	I like just being able to drop supplies early before the start of school and saying a quick hi.	9/15/2022 3:29 PM
178	We enjoy the opportunity to meet our children's teachers and gain insight into how they will run their classroom in these meetings.	9/15/2022 3:29 PM
179	Schedule longer blocks or time in between sessions in case extra time is needed and so you don't bleed into the next slot.	9/15/2022 3:24 PM
180	Great time to connect with teachers and prepare for school	9/15/2022 3:24 PM
181	It is stated that this information is shared with the students other teachers. How? Does it help	9/15/2022 3:15 PM

	those other teachers? Connections is ridiculous!	
182	As a parent I like RSG! As a teacher I also like it scheduled during our beginning of the year in-service.	9/15/2022 3:12 PM
183	My child greatly benefited from this program. The start of the school year was less easier due to familiarity. Helps with transition to new school especially.	9/15/2022 3:12 PM
184	It helps with my children's anxiety a lot. Also, I like being able to take school supplies in early. It also helps with creating positive excitement for school!	9/15/2022 3:07 PM
185	I personally would like it if it was supply drop off where we could schedule multiple families at a time and then talk to families as they arrived during their time.	9/15/2022 3:06 PM
186	Offering more times/days would be helpful. This year most slots were taken in the evening and the only other time available was during the day when I work. Very little advance notice to sign up means I can't request off work to attend a conference that falls during work hours.	9/15/2022 2:55 PM
187	With the majority of students participating in Jumpstart, it seems redundant. I would prefer an Open House format where I could meet more of my child's teachers and learn about all subject areas they are studying.	9/15/2022 2:55 PM
188	Very helpful and enjoyable	9/15/2022 2:53 PM
189	They are wonderful and would like to see them continued.	9/15/2022 2:46 PM
190	I would like to see a less formal and structured time and instead, offer a hybrid day. Half would be Open House style where kids and families can come to drop off supplies, meet the teacher, see the room, walk their schedule, ask brief questions but not have a formal conference. The afternoon could be set aside for formal conferences as needed or as requested by families.	9/15/2022 2:45 PM
191	End of summer vacations made it so we could not attend RSG in 2022. More dates/times for conferences would be helpful.	9/15/2022 2:44 PM
192	I believe it helps reduce my child's anxiety to meet her teacher in a one on one environment prior to the first day of school.	9/15/2022 2:38 PM
193	If the district continues to have Ready, Set, Go conferences, the process of scheduling and running these conferences needs to be discussed between teachers and administration. It is an inequitable practice since not all staff members are involved in setting up or running RSG conferences.	9/15/2022 2:36 PM
194	I would like to change up the questions that we are supposed to ask of our families at the middle school level.	9/15/2022 2:34 PM
195	It was nice to drop off supplies but otherwise they seem a waste of everyone's time.	9/15/2022 2:34 PM
196	n/a	9/15/2022 2:29 PM
197	I would prefer the conferences to be open house style, versus a scheduled appointment for each family.	9/15/2022 2:29 PM
198	Teacher never has read the IEP and does not know my child. This makes for an unproductive meeting.	9/15/2022 2:27 PM
199	This being our first year I found the school supply list confusing whether things should be labeled specific to my child or not.	9/15/2022 2:19 PM
200	For educators having the night conference followed directly by the morning conference was difficult. It did not provide time to wind down or decompress before having to be right back to the classroom again. I also believe the format from this year was not as beneficial. If parents had more of an open house so kids and families could see each other it would provide opportunities for teachers to see more genuine connections. Then have a separate time to meet one on one if needed by the family/students.	9/15/2022 2:15 PM
201	They should be at least 20 min long if not 30	9/15/2022 2:14 PM
202	Have school pictures at these times as well	9/15/2022 2:13 PM
203	RSG conferences should not add pressure to staff working prior to their contracted dates/times, and should not dictate the start date or PD days for buildings that do not offer	9/15/2022 2:12 PM

	RSG conferences.	
204	These are so valuable for kids to see their seat and get acquainted with their surroundings and teacher. I have found it immensely helpful for my children. It has been the difference between feeling Super anxious and just a little nervous. It covers so many of the questions they would normally have on the first day so they feel much more comfortable.	9/15/2022 2:10 PM
205	I think ready set go conferences are really beneficial because some students are shy and slow to warm up so having that individual meeting time with the teacher and dropping off supplies is very helpful.	9/15/2022 2:09 PM
206	Scheduling more evening spots and even a bit later would be helpful.	9/15/2022 2:07 PM
207	Meet & greet/school supply drop. 2 days/2 hrs each day. Families could come anytime that works for them during the days/hours available. Students could meet their teacher/drop off supplies and see other classmates they will be in class with. Or Allow More than one student/family during a time slot to avoid having to share the same information repeatedly.	9/15/2022 2:06 PM
208	I would prefer the District continue RSG conferences, provided we continue to receive some sort of compensation for the time. Additionally, it would be beneficial for all of the schools are on the same page regarding when they start, so some schools aren't trying to get teachers to work outside of the contract year.	9/15/2022 2:05 PM
209	This was our first year, but I very much enjoyed being able to come take a tour of both the school (since we were new) and the classroom. I liked the opportunity for my child to meet their teacher before day 1 and be able to drop off school supplies so he didn't have to carry everything to school.	9/15/2022 2:02 PM
210	They seem a little redundant at middle school and high school level when a student has so many different students	9/15/2022 1:59 PM
211	As a teacher, RSG required staff members to prepare for them outside of contract time. We were not reimbursed/compensated for this additional time. In addition, we had to schedule multiple conferences outside of the allotted two days. Families of young children were very upset to be expected to bring their very young children to school after 7:00 at night (especially when trying to set up a back to school bedtime schedule).	9/15/2022 1:58 PM
212	As a Kindergarten teacher, I need this time to be used for some baseline assessments, in addition to dropping supplies and meeting students. I had 6 of my 19 students not attend our 4K this year, so I have ZERO data on them. This makes balanced placements nearly impossible and makes it difficult to meet needs right off the bat.	9/15/2022 1:57 PM
213	My child has attended these when he has begun at new school buildings. They are very helpful and have reduced first day jitters.	9/15/2022 1:54 PM
214	Whether it's a Ready Set Go conference or just a supply drop off night, my kids really like being able to meet their teacher and see where they need to go before the first day of school. My question would be do the teachers find it helpful? If not, a generic open house supply drop off works just as well.	9/15/2022 1:54 PM
215	Ready-set-go conferences are an excellent way for us to connect as a family with our child's educator before the school year starts and understand expectations. With that said, we value our educator's time and know that this puts an additional burden on them outside of the regular scholastic calendar.	9/15/2022 1:53 PM
216	None at this time.	9/15/2022 1:51 PM
217	If it's possible to get Ready Set Go conferences scheduled a little more in advance that would be great. Our schedules are a bit crazy and as much time as we have to plan around this would be greatly appreciated!	9/15/2022 1:50 PM
218	Awesome!	9/15/2022 1:47 PM
219	It is a great time to set the tone of the year, welcome families, and let kids know it's going to be a great year!	9/15/2022 1:46 PM
220	My son started Kindergarten this year and the Ready Set Go Conference was great! We go to meet the teacher and he got to see his classroom before the first day of school	9/15/2022 1:45 PM
221	Students that attend RSG are noticeably more comfortable in the hallway and have a greater	9/15/2022 1:44 PM

	understanding of locations in the middle school.	
222	I prefer to do whatever the teachers want to do. I think their input should be prioritized. We do enjoy ready set go conferences.	9/15/2022 1:34 PM
223	The Ready Set Go conferences are extremely helpful in acclimating both our kids and my husband and I as parents. It's valuable to meet teachers, see the classroom environment, etc.	9/15/2022 1:34 PM
224	As a fall coach I have a hard time with late night conferences which hurts the number of people who come to my conferences. I had almost 40 slots available for parents to see me but only 7 showed up?	9/15/2022 1:30 PM
225	Would love to have the option to take school pictures during at this time...pictures taken after lunch/recess and a morning full of classes are often not the best result.	9/15/2022 1:28 PM
226	I love having them and find them important preparation for students and parents.	9/15/2022 1:28 PM
227	Nice to meet teacher one on one- drop off supplies, have a chance to meet them.	9/15/2022 1:27 PM
228	Great opportunity for everyone involved.	9/15/2022 1:26 PM
229	Offer them more than 1 day.	9/15/2022 1:24 PM
230	We love these conferences- my children felt so much more confident about starting the year after meeting their teacher and seeing their classroom!	9/15/2022 1:23 PM
231	They were so great and really helped my kiddo feel comfortable starting school.	9/15/2022 1:23 PM
232	These are wonderful! Great way for parents and students to meet the teachers and get a feel for the school year	9/15/2022 1:23 PM
233	I enjoy the opportunity to shelve the students and myself become acquainted with their educators and the learning environment	9/15/2022 1:22 PM
234	I love them so much! Please don't get rid of them :)	9/15/2022 1:20 PM
235	We love getting to find the classroom and meet the teacher 1:1 before school starts. It makes my son more comfortable and it gives me an idea of where he will be spending his time and it's a great way to start building a relationship with the teacher. We were able to discuss worries I never would have reached out with otherwise.	9/15/2022 1:17 PM
236	I enjoy this time to meet the teacher, find classrooms and drop off school supplies. I also find it clears a lot of anxiety surrounding starting a new school year.	9/15/2022 1:15 PM
237	provide virtual meetings	9/15/2022 1:14 PM
238	Please have the dates closer to when school starts, many families were still on vacation this year.	9/15/2022 1:14 PM
239	None	9/15/2022 1:13 PM
240	It's great to meet the teacher and have an opportunity to talk to their teacher and for the parents and the kids	9/15/2022 1:11 PM
241	I feel these conferences are extremely beneficial for students, especially when they are entering a new school.	9/15/2022 1:11 PM
242	Love the opportunity to drop off supplies and get situated before the first day of school. Found them especially helpful for transition when new to the district.	9/15/2022 1:08 PM
243	Ready Set Go Conferences feel lengthy and artificial. I prefer the former, drop supplies open house, and an as needed conference/meeting perhaps for 4 hours in August, as part of the teacher work days. RSG places additional professional burden on elementary teachers, who already shoulder very significant out of personal time responsibilities.	9/15/2022 1:08 PM
244	It would be nice if they were a little longer in time frame. I know teachers are trying to get all families in, in a short amount of time. This is especially for little who are not familiar with the school. It would give parents the opportunity to ask more questions and get to know the school and teacher a little more	9/15/2022 1:07 PM
245	As a parent, I feel that RSG have been excellent for my elementary age students. As a teacher, they were very beneficial at the middle level when we were fully virtual. They are still	9/15/2022 1:07 PM

	helpful as we start the year even while in person, though not as important.	
246	We've only been two them twice, but absolutely love them. Especially for young kids where this is their first time going to school I think it's almost critical to help ensure a smooth start. And as a parent, it's nice to meet the teacher and see the space where our kids will be everyday.	9/15/2022 1:05 PM
247	I think having a time for the students to come in and see their space, meet their teacher, bring supplies and ask questions is nice, but I don't know that it needed to be an individual conference. As a parent, I would have been comfortable with a window of time that anyone could come in and drop off supplies, see the room and ask questions. I know at the previous district my son attended they had a 45 minute window of time for this. There was 1.5 hours total, but they broke the alphabet up and had 1/2 of the students come for the first half and half come for the second half. I think that would suffice for what is needed for my children before school.	9/15/2022 1:04 PM
248	Have always found it valuable to meet the teacher and for students to see their classroom	9/15/2022 1:03 PM
249	An open house style (4 hours open house and 4 hours of scheduled one-on-one meetings for those that request them) would work better.	9/15/2022 1:03 PM
250	I love them! Especially for the younger kiddos!	9/15/2022 1:02 PM
251	I enjoy meeting my students before the year begins, but they are difficult to schedule at times. It also becomes longer than 8 hours (which we are compensated for) when conferences are said and done. Some families need more than one conference or cannot meet in the days provided. We also had issues this year with families wanting times outside of days provided, which meant some teachers were in the building all day / all week.	9/15/2022 1:02 PM
252	Helpful for a meet and greet (face with the name), discuss previous years concerns and things to watch for.	9/15/2022 1:00 PM
253	I want you to know my child better after these conferences happen.	9/15/2022 1:00 PM
254	Great way to meet the teacher (esp. for parents) and explore the classroom (for kids). I think it sets the stage for a partnership between parents and teachers.	9/15/2022 12:59 PM
255	It would be nice to have the Ready Set Go Conferences two different weeks in the summer. Many daycares are closed the week before school starts and families (including ours) go on vacations. The teachers have been great about accommodating schedules though. For RCI, it would have been nice to coordinate them for 5th graders during Jump Start.	9/15/2022 12:59 PM
256	It's an excellent use of time and helps get parents and kids...and teachers ready for the school year.	9/15/2022 12:58 PM
257	I absolutely love this it eases kid's anxiety. Makes them feel like they are being seen.	9/15/2022 12:58 PM
258	It was nice to have these before school started this year. As a teacher in another district, it was nice to be able to help my 5th grader with locker drop off; in years past, pre-school year starting locker drop off has not been possible for my kids.	9/15/2022 12:58 PM
259	I love these--they allow me as a parent to meet my child's teacher, and it allows my kids to find their classroom and become familiar with their teacher before the first day of school. Please do not stop these!	9/15/2022 12:58 PM
260	I find them to be so incredibly worthwhile and reassuring to the children. It's great for the one:one to get to know and feel secure in starting the year!	9/15/2022 12:57 PM
261	I think it is a busy time of year, so it is difficult for families to get here.	9/15/2022 12:56 PM
262	Rotations/purple teachers seem to have been given duties for RSG that don't actually serve the purpose of developing relationships with students (which I think is the goal of RSG...). I'd love it if there was a structure to either have freedom those days (instead of having to be at school until 8pm) or to have a more direct way for RSG to actually develop those relationships. Possibly identifying students in need of those extra adult relationships and scheduling conferences that way?	9/15/2022 12:56 PM
263	Teacher scheduled times during the day and had limit number at night. HArD for me to attend.	9/15/2022 12:56 PM
264	Make sure that families know these dates in the spring so they aren't on vacation during that	9/15/2022 12:56 PM

	time.	
265	I think RSG conferences have been a valuable place to learn about students and help families connect to school and feel better about starting the school year. I do think it's important to be mindful of asking teachers to spend time scheduling conferences before we are back to work. If we know RSG dates ahead of time (like before the end of this school year), and have templates ready to send out for sign-up, that would really help.	9/15/2022 12:55 PM
266	Please offer Ready Set Go conferences in two different weeks rather than both options within the same week.	9/15/2022 12:54 PM
267	I find it helpful for K-4, maybe 5-6 for those who need it but as there are more than one teacher between 5-8 grade I don't really find it necessary to hold them for older students.	9/15/2022 12:54 PM
268	They always seem really awkward because my kids are shy and the teachers don't really have much to say. Maybe make it a drop-in event rather than having set appointments so the students can still see their classroom and meet their teacher but we aren't just awkwardly staring at each other.	9/15/2022 12:54 PM
269	We absolutely LOVE Ready Set Go Conferences. My 1st grader feels some anxiety when he doesn't know what to expect. Meeting his teacher and knowing where his class room is before the first day is extremely comforting for him.	9/15/2022 12:53 PM
270	I love these conferences, but would appreciate more options as far as timing. They seem to fall in the same week - and if we are on vacation, for example, we can't attend any of them. Teachers have been amazing and accomodating, but that's not really fair to them either...	9/15/2022 12:53 PM
271	These are a great way for students to become comfortable with the school year, and to prepare. Meeting their teachers and seeing their classrooms are essential before the school year starts.	9/15/2022 12:53 PM
272	Staff provide the students info around day to day expectations	9/15/2022 12:52 PM
273	I have no context for this as a new 4K parent.	9/15/2022 12:51 PM
274	I like the individualized introductions and time to drop off supplies.	9/15/2022 12:51 PM
275	I think this is more helpful or necessary in K-4, maybe not for 5-8	9/15/2022 12:50 PM
276	I really liked this opportunity to meet my student's teacher and have my student acclimate himself to where room for class is and the classroom itself.	9/15/2022 12:49 PM
277	I like having a virtual option	9/15/2022 12:48 PM
278	The district needs to account for the time teachers take to send out communication, create the sign-up, and prepare materials for RSG conferences. A classroom teacher prepares multiple hours to run RSG's successfully.	9/15/2022 12:47 PM
279	This was critical in our kindergartner feeling ready for school and not scared	9/15/2022 12:47 PM
280	There is never enough open slots and in the older ages it's with a connections teacher who you're child may never have all school year making it a moot point. I'd prefer to have longer parent-teacher conferences instead of getting papers thrown at me but no real discussion of subsistence.	9/15/2022 12:46 PM
281	They were very helpful	9/15/2022 12:46 PM
282	Virtual option is nice.	9/15/2022 12:45 PM
283	Ready Set Go conferences do not seem necessary for the middle school age students.	9/15/2022 12:44 PM
284	It's been very valuable and appreciated	9/15/2022 12:44 PM
285	Why would we consider getting rid of these. These are crucial and extremely helpful for both students and parents getting to know their teacher and new surroundings. THESE ARE A MUST!	9/15/2022 12:44 PM
286	This was a great help in getting our Kindergarten student comfortable with the class. For the next several years, i believe he will struggle to start the year on a good note without these.	9/15/2022 12:43 PM
287	It was good to give my child an overview of what to expect but there wasn't time given and I wasn't asked about anything the teachers should know about my child's learning issues or	9/15/2022 12:43 PM

needs. Would have liked there to be a little bit more of a structure to the meeting and an opportunity to discuss my child's needs to be successful.

288	Can there be 2 different week options instead of 2 days back to back? We always vacation the last full week of Summer so I feel bad asking for special consideration from teachers to still meet with my kids. My daughters teacher was meeting with 6 kids on a day that was not a designated RSG day.	9/15/2022 12:43 PM
289	I love hearing from my child what they are learning and having them show me all the things they've done. But I would prefer to sit down with the teacher as well like a traditional conference.	9/15/2022 12:42 PM
290	I like getting to see my child's classroom and meet their teacher. It also helps my child feel comfortable in their new classroom before the chaotic first day of school.	9/15/2022 12:42 PM
291	Like the 1 on 1 time with the teacher	9/15/2022 12:41 PM
292	Could it be considered having small group RSGs as opposed to individualized? Families can pick between select times and this way students can meet some of their classmates beforehand as well?	9/15/2022 12:40 PM
293	My k-4 student loves this approach and feels reduced anxiety after attending Ready Set Go	9/15/2022 12:40 PM
294	I like the opportunity for my child to meet their teacher but feel it is unnecessary to provide a full 20 minute conference. I would prefer an open house for an hour where families can drop in.	9/15/2022 12:40 PM
295	I think they are beneficial for the parents and kids to meet their teacher before the year starts.	9/15/2022 12:40 PM
296	I did not find them helpful as there was such limited time with the teacher- especially since you are only meeting Connections teacher in 5-8th grade. I think a coordinated open house 2-3 weeks after school starts was a better way for parents learn about the grade level and meet teachers. Simply drop off hours for supplies and tours before first day works better for working parents. Always found teachers and principals willing to book individual times as needed for reluctant /nervous students.	9/15/2022 12:39 PM
297	I wish school pictures would happen at this time as well so parents could be there for the pictures instead of being taken during the school day. Especially for the younger students, it would be nice to have a couple options to look at.	9/15/2022 12:38 PM
298	20 minutes is too short	9/15/2022 12:38 PM
299	I like having those few minutes to get to know the teacher with one-on-one time. Some students have anxiety, and this helps calms those first-day nerves.	9/15/2022 12:38 PM
300	Love them	9/15/2022 12:38 PM
301	It works great for my kiddos jitters. She is more comfortable starting the school year bc of the meet and greet.	9/15/2022 12:36 PM
302	We really liked meeting our son's teacher before the year started. He will be attending the MS next year-will RSG be in place of Jumpstart?	9/15/2022 12:36 PM
303	If possible, having more lead up time to the conference (currently, when the dates are opened for us to pick from, it doesn't give much time for us to rearrange work schedules if needed).	9/15/2022 12:35 PM
304	It was extremely helpful for Kindergarten and coming into a new school. Our whole family benefitted from it.	9/15/2022 12:35 PM
305	The older kids with multiple teachers and where they are new to the school should have a longer conference to meet not just their home room teacher. Example 5th and 7th grades	9/15/2022 12:35 PM
306	Teachers should be paid for that time	9/15/2022 12:35 PM
307	They are only available during 1 week for the past 2 years, which has been during our family vacation. I would like to see an extra day or evening available. However the teachers have been so very accommodating to make sure everyone has a chance to meet. They go above and beyond.	9/15/2022 12:34 PM
308	I wish all teachers were present during the time of ready-set-go conferences, so you could introduce yourself and your student to all of their teachers prior to fall conferences.	9/15/2022 12:34 PM

309	Ready Set Go Conferences make it nearly impossible for child care for individuals who both work in the district and have students in the district.	9/15/2022 12:33 PM
310	It is nice, especially for new students, to get to walk through the school in a relaxed setting before the first day of school. I also like the drop off of items at the same time.	9/15/2022 12:33 PM
311	I enjoyed having the 20 minute RSG conferences. It was so nice to meet our student's teacher.	9/15/2022 12:32 PM
312	A little more time	9/15/2022 12:32 PM
313	I think it's a great opportunity for my children to see their classroom and teacher before school starts and ease anxiety and fears on the first day.	9/15/2022 12:31 PM
314	Very helpful to meet teachers!	9/15/2022 12:31 PM
315	RSG Conferences felt more important during COVID times. Now, a [before school begins] Open House would be preferred.	9/15/2022 12:31 PM
316	I've appreciated the RSG conferences so far. I certainly don't have any concerns about the teachers in the OSD, but as a parent I do appreciate the chance to meet the teachers and match a person with the name that I hear about from my kids.	9/15/2022 12:31 PM
317	They are essential. Otherwise parents don't get to meet the teacher until conferences.	9/15/2022 12:30 PM
318	Ready Set Go conferences have been a big positive for my student to help make them more comfortable more quickly with the changes that come with new teachers.	9/15/2022 12:30 PM
319	Longer conferences	9/15/2022 12:30 PM
320	Ready set go conferences are wonderful in theory but it's too much extra work for the teachers. They have to have classrooms ready and they do not get compensated for all the time they put in. One 8 hour day for compensation is not enough. Go back to open house style. The district keeps piling and piling on more for the teachers to do.	9/15/2022 12:30 PM
321	Timing is hard for those of us that work	9/15/2022 12:30 PM
322	This really helped my kids this year as they are in K and 5th with the new schools.	9/15/2022 12:30 PM
323	Loved it and helped with comfort, confidence and built excitement.	9/15/2022 12:29 PM
324	RSG conferences are great for all. Should be extended to High School especially Freshman.	9/15/2022 12:28 PM
325	It's a nice time to bring nervous kids in to have an initial touch base for the new grade.	9/15/2022 12:28 PM
326	The Ready Set Go Conference was of utmost importance for our incoming Kindergartener. It gave her a sense of understanding that made talking about the expectations of going to school much easier. I can't imagine starting the school year without it.	9/15/2022 12:28 PM
327	So helpful!	9/15/2022 12:28 PM
328	They have been extremely helpful for us with our daughter who has some mental health issues that need to be addressed prior to the start of school in order to reduce anxiety for her.	9/15/2022 12:27 PM
329	It relieves the tension and stress the kiddos have especially walking into a new school	9/15/2022 12:27 PM
330	It's nice to meet the teacher but I can't really tell what other purpose they serve.	9/15/2022 12:27 PM
331	Helpful to get students acclimated back to school and familiar with classroom/teacher.	9/15/2022 12:27 PM
332	Think these are a great way to see the building, lockers and lesson some of the tension and unknown as a new school year starts.	9/15/2022 12:27 PM
333	I think my child enjoys RSG to have a chance to meet the new teacher and talk about the expectations for the year. We have not switched schools yet, but I feel that this will also be beneficial when going to a new school in addition to the jump start that is offered.	9/14/2022 9:09 AM

#	RESPONSES	DATE
1	I wish we did not have days off so close to winter break. Seems silly to have a week off only to return for a few days and then have a long weekend. I also wish we could end school earlier, Wisconsin summers are too short as it is. If we cut out the October break and the Jan/Feb long weekends we could wrap up sooner.	9/24/2022 10:59 AM
2	It would be good to revisit how we plan conferences. Not all families are available in the evenings due to work schedules. It might be nice for families with work schedules outside of the 'traditional' 9-5 to have an opportunity to meet for conferences without teachers scheduling them during their prep time or lunch time. Kind of like how RSG conferences were scheduled during an evening on one of the days and a morning on another day.	9/24/2022 10:26 AM
3	Mirroring the Madison Metro School District schedule is helpful to our family, as we have another student in MMSD.	9/22/2022 5:07 PM
4	Would prefer our Back-to-school PD days to be near the end of the week, and closer to the beginning of the school year (instead of the beginning of the week- which assumes teachers will continue working the rest of the week days= unpaid / non-contract time). Also, having an opportunity for an 8-hour teacher work day to prepare classrooms was very helpful this year. Would like to see this offered again next year.	9/22/2022 4:03 PM
5	Has it been considered to have a later start time in September (we have some of our nicest weather in Sept.) and to end a bit later in June? Maybe a PD day following parent/teacher conferences. Those are long and exhausting days for teachers knowing that you still have to get up and teach students the next day.	9/22/2022 3:57 PM
6	I would prefer a later start time	9/22/2022 9:03 AM
7	It would be amazing to have a day off late September/early October. If you look at the Phases of Attitude towards teaching graph we are entering the survival mode. I wonder if this would help keep us from dipping so low until end of October. :)	9/22/2022 7:21 AM
8	Are we following all religious holidays or just the Christian ones?	9/21/2022 6:21 PM
9	The gap between PD days and the start of the school year is an interesting approach. Not sure how I feel about that as I see educators working those days uncompensated in between, but a little break is nice. Perhaps consider flex time in the month of August?	9/21/2022 1:19 PM
10	Instead of PD days, why can't we have two work days built in for report cards. You know that teachers put in a ton of work outside our contract hours. If you're trying to find ways to better support us so you don't continue to lose staff due to the hardships and stress of being a teacher, you need to recognize the work we do. We need extra time for report cards and conferences.	9/21/2022 8:09 AM
11	Next year school should start on the Tuesday after Labor Day to allow families one last summer Labor Day trip. There is limited reason to start school the Friday prior to a 3 day weekend.	9/21/2022 6:00 AM
12	Starting September 1st next year, creating a 1 day week prior to a 3 day weekend is one of the dumbest ideas I've ever heard!	9/20/2022 4:17 PM
13	I would prefer a calendar that gets out as early as possible in June.	9/20/2022 2:34 PM
14	PLEASE wait to start school until after Labor Day. Going to school for one or two days (Thursday/Friday or Friday) seems silly and really prevents families from doing anything meaningful over Labor Day weekend.	9/20/2022 12:54 PM
15	Thank you for taking the time to ask us.	9/20/2022 8:53 AM
16	Can parents be made aware of the total number of contact hours students have each year compared to state requirements and neighboring districts.	9/19/2022 9:43 PM
17	Would like stats shared on aggregate time during the overall school year Oregon schools are in session (ie hours) relative to other nearby districts. It feels as if we are in school longer and	9/19/2022 9:41 PM

	have fewer breaks where winter and spring are usually shorter than others plus we go later into the summer.	
18	Please consider late start for staff to complete necessary PD/work requirements.	9/19/2022 9:24 PM
19	Professional development days should be scheduled during the summer months so that childrens' school schedules are not so disrupted during the school year.	9/19/2022 7:11 PM
20	Teachers get burned out, ill, etc and benefit from breaks throughout the year as much as students do. Even workdays that allow us to catch up without students present are valuable and give us time to rest and re-energize.	9/19/2022 4:21 PM
21	Many of the surrounding districts have scheduled late starts or early releases every week or every other week. This is a time for teachers to collaborate and/or professional development. Would the district ever look at implementing late starts or early releases?	9/19/2022 3:18 PM
22	Start school after Labor Day. The point about the two day break is nonsense. End school later in June if need be.	9/19/2022 2:22 PM
23	The 8 hour workday (with absolutely no meetings) was greatly needed and appreciated this year. I hope we continue to do this in the future as there are simply so many things for teachers to do in order to be ready to go at the start of Sept. Paying us for our time and valuing it as PD is a great way to demonstrably value your teaching staff.	9/19/2022 2:09 PM
24	For parents who work at the UW, it would be wonderful to have the OSD Spring Break align with the UW Spring Break. This has only happened once in the last 10+ years, and it was during the pandemic.	9/19/2022 11:32 AM
25	I will prefer less breaks during school yeat and have longer winter break.	9/19/2022 10:09 AM
26	Would like to see a ready set go conference for incoming freshmen to the HS.	9/19/2022 9:21 AM
27	Having that strangely blank-ish PDF calendar sample attached to the email was confusing. I maybe wouldn't add that to this email next year until you're looking to get feedback on A B C options.	9/19/2022 8:55 AM
28	We prefer spring break as late as possible in March/April.	9/19/2022 8:23 AM
29	Change the start time back. 830 is way too late	9/19/2022 7:54 AM
30	Please consider Good Friday, or the day before Easter as a school day off.	9/18/2022 10:41 PM
31	We would prefer a longer December Break. The way it is set up now does not really give students and teachers time to refresh, especially since it is the time of year where everyone is really busy preparing for family get togethers.	9/18/2022 8:46 PM
32	What is OSD doing for Christmas/Winter Break and Easter/Spring Break? We should have at least a week off for each of those breaks.	9/18/2022 8:46 PM
33	Please start the school year AFTER Labor Day. Families still take vacations for Labor Day, so having school already in session complicates throngs more than needs to be	9/18/2022 3:54 PM
34	Please try to schedule Spring Break with surrounding districts like Verona, to be on the same week.	9/18/2022 2:49 PM
35	spring break to align with Madison College spring break	9/18/2022 2:48 PM
36	As an OHS staff member, I very much appreciated the paid work day on August 31. Thank you for acknowledging a day that most of us would be in the building whether or not it is a contract day and for being flexible across different buildings.	9/18/2022 2:19 PM
37	It would also be nice to have the Monday after Thanksgiving off.	9/18/2022 11:56 AM
38	I have a sincere question about the Wisconsin law stating that school cannot begin before Sept. 1 - it seemed to me that there were certain schools that were starting before that date? I sincerely believe that this school district makes decisions on what is best for its financial well-being, rather than the well-being of our students and staff. And staff then take the brunt of those decisions because administrators are not nearly as accessible as school staff are. Does the Oregon School District pride itself on making kids go to school for more days into the summer than other districts around us? I would love to see a comparison of school-year calendars from our neighboring districts. Far, far too often when this school district is looking at	9/18/2022 11:38 AM

decisions (including this referendum being push exceptionally hard), it only focuses on the K-12 aspect of our district. Please stop forgetting that you also have a 4K program that works just as hard to prepare these students - but often gets overlooked when there is talk about benefiting our district. Do better. Don't try to -look- better.

39	Thank you for reaching out to families for input. I'll also add, Jump start was a great opportunity for kids starting at new schools.	9/18/2022 8:25 AM
40	None	9/17/2022 7:46 PM
41	Thank you for sending these surveys.	9/17/2022 7:00 PM
42	Students should have off the day after Halloween. When November 1st is a weekday it's a rough one.	9/17/2022 3:46 PM
43	Our district needs to move toward early release days for educators to collaborate and have time to intentionally co-plan cross-district. We have new ELA standards with new K-5 ELA curriculum and new math standards are in the works. The district needs to recognize the importance of staff work time and provide the time. Our district cannot continue to ignore this deficit in our structure and expect to retain teachers and increase student achievement. Not incorporating early-release days will result in strong educators leaving the district.	9/17/2022 1:24 PM
44	Thanks for involving the school community, as always, in the planning process!	9/17/2022 12:40 PM
45	Largely am fine with the calendar. My one main complaint (and I know this is not unique to Oregon) is starting the school year before Labor Day. To me, it makes no sense to go to school for a day or two, then have a long break right away. Let's just start the Tuesday after Labor Day! Thanks.	9/17/2022 10:42 AM
46	Any chance for slightly longer days to get the hours in? Any chance for year round schooling?	9/17/2022 10:10 AM
47	We vote for the day after Halloween being a non-school day. Whether that is possible or not, we are in favor of more frequent shorter breaks over the longer less frequent variety	9/17/2022 9:58 AM
48	I love the long weekends that are built into the calendar during the winter months: an important physical and mental break for our family.	9/17/2022 9:17 AM
49	I think that the 5th, 7th, and 9th graders should start on Friday so they are more comfortable with the school and also those who are new to the district. But everyone else. Start on the day after Labor Day.	9/16/2022 10:33 PM
50	I would like a set day for the last day of school and not find out the last day of school in April. A flexible last day of school makes it impossible for planning purposes.	9/16/2022 9:20 PM
51	Start school after Labor Day	9/16/2022 8:50 PM
52	I would prefer if school starts after Labor Day. I do not feel there is anything quality the kids get after two days of school and then a three day weekend. I would rather them go two days later.	9/16/2022 8:32 PM
53	Please please please align OSD spring break with UW-Madison spring break.	9/16/2022 7:58 PM
54	Please provide additional information for parents to help understand why the calendar process must happen so far in advance of the school year.	9/16/2022 7:19 PM
55	Having time for teachers to set up classrooms was very important this last year and should continue. Time to close out our classrooms at the end of the year is also important. I would like to see both of these times flexed to best suit each grade level and teacher need. I would also like to see time for teachers to complete report cards. Special education teachers are also required to complete quarterly progress reports. All of this takes time which currently is not in our schedule.	9/16/2022 6:49 PM
56	As a teacher in the district, I greatly appreciated having the scheduled time to help get my room ready for the year and to plan with our team. These are things that we do anyway, but I think the district made a statement of valuing our time by having that be part of our PD days to start the year. Thank you.	9/16/2022 6:35 PM
57	I would love if the kids get out of school as early as possible for the summer. First week of June if possible.	9/16/2022 4:38 PM
58	Our family really likes having one long weekend a month, especially when there's no holidays.	9/16/2022 3:19 PM

	Thank you!	
59	Really appreciated the 8 hour work paid work day before the beginning of school!!!!	9/16/2022 1:33 PM
60	I really liked the day of work before school started to just work and get my classroom set up, IEP's, seating charts, google classroom, print off materials, finalize set up, etc. before school started. That was the absolute best.	9/16/2022 12:48 PM
61	As a teacher at the high school, the 8 hours on August 31 was AMAZING. I really appreciate that you acknowledge the work that we put in to get ready for the school year and give us an uninterrupted day to work. Other years, of course, some of us would be working on different days before school, but this was great because we knew we would all be at school. This allowed me to find other teachers that day that I needed to talk to about the school year (teachers in my department, special ed teachers, etc.). Thank you so much! I really hope we can continue with this.	9/16/2022 12:25 PM
62	I think small breaks throughout the calendar year are good for everyone!	9/16/2022 11:39 AM
63	This district rocks. Thanks for taking our thoughts into consideration.	9/16/2022 11:38 AM
64	Starting school the Thursday or Friday before Labor Day is ridiculous.	9/16/2022 11:09 AM
65	None	9/16/2022 9:54 AM
66	Ending before mid June is preferred. Students ARE DONE by the first week of June. Anything later like the 14th, is torture for teachers.	9/16/2022 8:55 AM
67	Is there any consideration for applying to the state to start in late August?	9/16/2022 8:26 AM
68	It was always helpful as a teacher parent for spring break to align if possible when I didn't work here. Otherwise I advocate for more frequent breaks rather than longer ones in winter and spring to prevent burnout.	9/16/2022 8:23 AM
69	Please schedule professional development days on either Friday (preferred) or Monday. A Wednesday is so much harder for us as a two working parent household.	9/16/2022 8:01 AM
70	I know it is not on the rough draft that was attached, but I want to strongly reiterate that students should be done with school before graduation date. I can see this is a tight year to get in days before the "traditional" OSD graduation date and wanted to strongly reiterate that either school is finished by that date, or if it isn't, we push back graduation. The year seniors left early was a disaster for all classrooms that were mixed-grade. Please also bear in mind that trying to balance the number of days relatively evenly between semester 1 and semester 2 is important. Finally, the 8 hours of teacher-controlled worktime in their classrooms was long overdue. Teachers put in so much work off the clock in August to prepare for the school year that this one day was a wonderful acknowledgement of the significant amount of work that goes into planning, prepping, and preparing for a new school year requires. Please keep this day in the future, as it goes a long way to showing the district understands the herculean amount of work that teachers do, much of which ends up on non-contract hours.	9/16/2022 7:40 AM
71	Is there any way the October 2 days off can be switched? For example, its nice that the spring break flips weeks every year if work scheduled don't line up with school for the same week.	9/16/2022 7:33 AM
72	School should start after Labor Day. Starting two days before the long weekend adds no value and robs families of an opportunity for one last break before summer ends and school starts.	9/16/2022 6:18 AM
73	WINTER BREAK NEEDS TO GO BACK TO TWO WEEKS. COULDN'T CARE LESS ABOUT BREAKS IN OCT, FEB OR MAY!! KIDS OF DIVORCED FAMILIES HAVE TO SPLIT THE HOLIDAY TIME AND LESS THAN TWO FULL WEEKS SUCKS!!! PLEASE FIX THIS.	9/16/2022 6:09 AM
74	Strongly prefer starting after Labor Day with the 1st being a Friday this year.	9/16/2022 5:29 AM
75	I do not believe school should start before Labor Day.	9/16/2022 5:28 AM
76	based off the 22-23 year. The october break I wish was more mid month than late. I like to see them a bit more evenly spread out. same with the april break, its silly that is the friday following just getting back from spring break. I'd like it mid-late april. To space them out.	9/16/2022 4:37 AM
77	Instead of taking a random 2 day break in the months of February, April, or October, start school the Tuesday after Labor Day. Many families take a last minute vacation of the summer over that weekend.	9/15/2022 10:36 PM

78	Everything seems fine	9/15/2022 10:26 PM
79	School should not start before Labor Day. It's always been the day after until this year which I didn't like	9/15/2022 10:18 PM
80	Spring break opposite time of madison schools	9/15/2022 10:04 PM
81	Thank you!	9/15/2022 9:50 PM
82	I prefer that school in-service teacher days not be scheduled on Mondays due to work obligations.	9/15/2022 9:19 PM
83	If spring break weeks could mirror Waunakee School or Verona School districts, this would be ideal. Thank you!	9/15/2022 8:46 PM
84	Yes, please have the same breaks - especially spring break with other surrounding districts.	9/15/2022 8:41 PM
85	It would be very helpful (and respectful) if the district gave non-licensed staff (paraprofessionals) the same advance notice on what days they will be required to work (prior to the start of the school year and PD days) as they give certified staff.	9/15/2022 8:41 PM
86	Start school after labor day holiday. 2 days of school before a 3 day weekend is just not convenient for families. Start afterwards. If you start school on Sept 1 in 2023 a friday, that doesn't make any sense considering Monday is labor day.	9/15/2022 8:36 PM
87	Families leave on vacations anyway so maybe consider a shorter spring break. This would get us out of school sooner	9/15/2022 8:06 PM
88	I prefer the development days to fall on a Monday or Friday. I think having those days off from the holiday vacation days break up the months more. February always seems like a long month after all the holidays	9/15/2022 8:04 PM
89	Please schedule spring break to match up with UW Madison	9/15/2022 7:45 PM
90	I like to feel like I'm of service on MLK. I also have wanted to engage in community events that I haven't been able to do. Therefore, I'm on the fence. Also, I think students and staff need breaks throughout the year. That said, longer time is nice for spring break or winter break. Also, the day before Thanksgiving is nice for appointments and things. Ultimately, I see lots of benefits and realize they can't all happen. So I guess I lean toward smaller breaks throughout the year to prevent burnout. :)	9/15/2022 6:32 PM
91	For staff development days, either Mondays or Fridays are fine!	9/15/2022 6:22 PM
92	I would be supportive of another investigation into year round school with longer breaks spread out throughout the year.	9/15/2022 6:05 PM
93	I really appreciated the 8 hours of work time in August. Thank you.	9/15/2022 5:22 PM
94	Strongly prefer starting school AFTER Labor Day	9/15/2022 5:19 PM
95	Full day PD is preferred	9/15/2022 4:31 PM
96	We really need to have MLK off. As a staff member of color, it was incredibly frustrating to have work on that day last year.	9/15/2022 4:01 PM
97	match spring break up with UW madison spring break	9/15/2022 3:55 PM
98	Have the day after Halloween (trick-or-treating) off for the kids if possible.	9/15/2022 3:40 PM
99	I think it's really important to have days off each month of the school year. It keeps kids motivated and gives them and teachers a much needed break to get to the next days off. As adults we can take vacation days or mental health days. School agers don't have that luxury so we have to schedule mental health days/days off of school for them.	9/15/2022 3:35 PM
100	Please hold the August PD days closer to the actual first day of school, especially if we are doing RSG conferences!	9/15/2022 3:34 PM
101	Above it states the WI law prohibits school from starting prior to 9/1. This year plenty of schools in other towns started on 8/29. They were also public school. If that isn't allowed how are they able to pull that off and why can't we?	9/15/2022 3:30 PM
102	It's very nice to have random days off in the school that are not around holidays because	9/15/2022 3:30 PM

	travel around holidays and spring break is SO expensive.	
103	Longer Winter break please!	9/15/2022 3:29 PM
104	I believe a mid-winter break, like schools have in the pacific northwest, where students have a full week off during February, would be amazing here. The winters are so brutal that it would provide a good opportunity for families (and district staff) to find some warmth and break up the season.	9/15/2022 3:29 PM
105	In regards to when staff returns: having PD, then almost a week off, and then school starting is a HUGE inconvenience to our summer time off. You know parking lots are full and people are working 8/26-8/31. Many districts run PD into the beginning of the school year. I'd like to see a question on here that asks if we should roll from PD right into the school year. It's too choppy and we are losing many days of well deserved summer break.	9/15/2022 3:12 PM
106	Thank you for asking for input, I'm sure this is a difficult task each year!	9/15/2022 2:57 PM
107	I'd much prefer to start after Labor Day to allow families one final "long" weekend before school starts.	9/15/2022 2:55 PM
108	Prefer back to school PD days for staff are the week school starts not 2 weeks before then a break.	9/15/2022 2:46 PM
109	Please align with UW Madison breaks	9/15/2022 2:39 PM
110	Small breaks throughout the year are as important as larger breaks.	9/15/2022 2:36 PM
111	Would greatly like to see the October 2 day break remain along with adding a 2 day break in February. Thanks	9/15/2022 2:34 PM
112	I would love to see a longer winter break (similar to MMSD)	9/15/2022 2:33 PM
113	I am in a building sub role this year, so I don't currently have strong opinions on most of the questions.	9/15/2022 2:30 PM
114	n/a	9/15/2022 2:29 PM
115	Start times and end times need to be scheduled with the parental normal work day in mind.	9/15/2022 2:27 PM
116	I strongly believe in 2 full weeks of winter break. (16 days) Students and staff need this additional recoup time to help gear up for finals and second semester. Going into the second week of June, or mid June, is just fine.	9/15/2022 2:23 PM
117	Please let Food Service have their own Professional Development Days.	9/15/2022 2:21 PM
118	Why does school start before Labor Day? Seems silly to go for one or two days and the. Have a holiday weekend?	9/15/2022 2:19 PM
119	Times middle and highschool starts.	9/15/2022 2:18 PM
120	I would like the district to consider professional development hours weekly instead of professional development days. Much more is accomplished and it is more collaborative. It is proven to be BETTER for student equity and many districts around us follow this practice. I was SHOCKED when I started here at a district that values equity so highly, to not have this time.	9/15/2022 2:17 PM
121	Have school pictures before school starts so kids don't have to worry about their hair, etc. staying in place all day at school	9/15/2022 2:13 PM
122	I strongly dislike having start of school PD days, then a week off, then another PD day and the first student day. Please schedule the PD days consecutively with first student attendance day.	9/15/2022 2:12 PM
123	Continue with policy of no scheduled half days or early release days.	9/15/2022 2:12 PM
124	Please consider at least one parent teacher conference time frame to be held during the day.	9/15/2022 2:09 PM
125	The fact that we (staff) started our professional development a few days earlier this year, then had some days "off" was EXTREMELY helpful in getting set up. Thank you! That said, I believe it would have set a better tone to the start if our big get together as a district (which was in the HS gym this year) happened on the first day, and then we had the 2nd day as a work day. It sets a good tone to have a big welcome back right away!	9/15/2022 2:08 PM

126	More conference times in the evenings would be much appreciated.	9/15/2022 2:07 PM
127	The 8 hours of classroom set up during PD week was EXTREMELY helpful/appreciated/necessary and really helped the success of back to school for myself and my students. I felt much more prepared/ready for families to enter for RSG. This time provide me with more time to make my classroom welcoming, warm and ready for students! This also allowed me to give my full attention during PD sessions as I wasn't as concerned about ALL the things that need to be done before RSG/1st day. Please consider this every year, it truly means a LOT. Please consider NOT starting PD the week of the 21st but the 28th.	9/15/2022 2:06 PM
128	Thank you for NOT scheduling "early release" days and for scheduling PD days on either a Monday or Friday. These practices make it much easier on parents. Thank you for asking our opinion on the calendar, too!	9/15/2022 2:04 PM
129	Please align breaks with surrounding communities as much as possible. Many staff live and have children attending school in these communities and not having the same longer breaks puts additional stress on families.	9/15/2022 2:02 PM
130	Please do not schedule PD on Weds. Either Monday or Friday works.	9/15/2022 1:59 PM
131	I think it's time for our claim of Equity to be honored with MLK Jr. Day OFF for staff as well.	9/15/2022 1:57 PM
132	Teachers should determine the best days for professional development days. Thanks for taking parent input.	9/15/2022 1:54 PM
133	None. Thank you for valuing our opinions.	9/15/2022 1:51 PM
134	No pajama days	9/15/2022 1:50 PM
135	Seniors out early	9/15/2022 1:49 PM
136	Great job osd	9/15/2022 1:47 PM
137	I feel the teachers need opinions on professional development days.	9/15/2022 1:47 PM
138	Whatever the teachers prefer is what I prefer. We will adjust to whatever schedule you decide on, based on their feedback would be best. Thanks!	9/15/2022 1:34 PM
139	Please don't have a break for staff during the PD before school starts. For example, this year we were required to come in Mon-Wed and then not again until the following Wed. Please just have them all together.	9/15/2022 1:31 PM
140	I t would be nice to have more PD opportunities be4 school so we don't have to have so many during the year! We should try to get out earlier in June. After June kids are checking out!!	9/15/2022 1:30 PM
141	Prefer to have school on MLK day...could be a day to focus on service and civil rights (human rights). Would rather have the PD days for Jan & Feb scheduled together in early Feb for a long weekend.	9/15/2022 1:28 PM
142	The PD before the start of this year school felt so teacher supportive. There was ample time to get classrooms ready and beginning of the year information together. It was also great to have a break between PD and the start of the school year.	9/15/2022 1:24 PM
143	Ideally I prefer to start school after Labor Day. However as I indicated above, the exception would be for an additional 2 day break in February but I would much rather do both. Or start after Labor Day, have an additional 2 day break and go to school Jan 2, Dec 22, etc	9/15/2022 1:22 PM
144	I just hope the teachers are also having input because they do so much for our kids ultimately I would defer to whatever is best for all of them.	9/15/2022 1:15 PM
145	None	9/15/2022 1:13 PM
146	Please try to line up spring break with UW Madison spring break	9/15/2022 1:12 PM
147	You do a great job and are much appreciated.	9/15/2022 1:11 PM
148	Please bring back the half day on the last day of school.	9/15/2022 1:10 PM
149	Would be great to align spring break with UW.	9/15/2022 1:08 PM
150	Professional work including contacting families should not required for teachers prior to the	9/15/2022 1:08 PM

work days that start in August. Also, the work days that start in August should not extend more than one before students start. The 6 day break inbetween teacher work days and students beginning school cut teachers personal time in summer short. Many of the staff work during the summer in various capacities, and should be able to garner at least 4 consecutive weeks without a work comittment in the summer, recognizing that your staff responds to requests to participate on committees, participate in teaching summer school/providing student services in the summer, and to continuing professional development in the summer. Thank you.

151	As staff, I would be comfortable with more PD days in the beginning of the year if that meant the school year ended earlier as we were not taking days away from students to have PD days.	9/15/2022 1:04 PM
152	Younger elementary students need to ease into the school year. Starting with a full 5 day week or a full 4 day week would be extremely difficult!	9/15/2022 1:03 PM
153	Last day of school -full day	9/15/2022 1:02 PM
154	Start times for K-4 should be later, consistent with research showing the importance of sleep on neurodevelopment.	9/15/2022 1:01 PM
155	In general, I prefer there to be more spaced out breaks rather than longer breaks. I also think the school days are pretty long for the K-4th graders and so having intermittent reprieve helps to break it up a bit.	9/15/2022 1:00 PM
156	I prefer it to match up with neighboring districts	9/15/2022 1:00 PM
157	go to referendum to start mid-August and extend all breaks by a day or two	9/15/2022 1:00 PM
158	This may sound strange and not sure if it's possible, but I would prefer to have spring break scheduled during a week where surrounding districts are NOT on spring break. It allows us as parents a greater chance of being able to take time off work if not all parents are trying to get off on the same week.	9/15/2022 12:58 PM
159	There needs to be more time off BEFORE 12/25. Like have off the 21st-2nd	9/15/2022 12:57 PM
160	Would love to see the calendar upto date with dates, times, clear venues of various sporting events.	9/15/2022 12:57 PM
161	Have PD days be be4 school so you don't need to take time off during the year and end earlier.	9/15/2022 12:56 PM
162	Please don't make staff come to school early for back to school inservice days and then give us days off between then and the first day of school.	9/15/2022 12:56 PM
163	We really need breaks in October and February. In the past, having a day or two off in those months has made a huge impact on student and staff morale/mental health. I hope those breaks take top priority in scheduling.	9/15/2022 12:55 PM
164	For my family it is not necessary to have good Friday off.	9/15/2022 12:54 PM
165	The more days off, the better. :)	9/15/2022 12:53 PM
166	Thanks for requesting input!	9/15/2022 12:53 PM
167	Personally I don't need the Wednesday before Thanksgiving as an off school day. Use this day and the 22nd of December to have time off in February when it is cold out. Then we could keep the 2 days in October and April.	9/15/2022 12:52 PM
168	Prefer additional days off occur on a Friday or a Monday as a second choice for staff development.	9/15/2022 12:51 PM
169	I do not want 4 days off between our PD days and the start of school. This feels like the district getting 4 days for free.	9/15/2022 12:51 PM
170	Really like two consecutive days off in either January or February	9/15/2022 12:49 PM
171	None	9/15/2022 12:48 PM
172	I strongly feel school should start after labor day weekend. I dont understand why you say schools cant start until after September first when a lot of schools this year start August 29th to make it a full week of school.	9/15/2022 12:47 PM

173	It would be easier to make a calendar if we had block schedule, year round school or at the very least trimesters. I've heard it's too hard for teachers (from district teachers) to learn how to teach that though even though they literally did just that through the pandemic.	9/15/2022 12:46 PM
174	Prefer to have a longer school year with more days off.	9/15/2022 12:46 PM
175	Strong preference to start on September 5 even if it means not having a two-day break during the year.	9/15/2022 12:46 PM
176	It would be nice if Oregon matched other schools breaks - Like Stoughton so cousins can spend breaks together. :)	9/15/2022 12:43 PM
177	Thank you for involving parent feedback on the calendar.	9/15/2022 12:42 PM
178	I prefer the student not start school before Labor Day. Especially if it is for a day or two. We lose both Memorial Day weekend and Labor Day weekend for extended family vacation here in Wisconsin.	9/15/2022 12:42 PM
179	Love the ease back to school with a couple days to begin and start before labor day.	9/15/2022 12:41 PM
180	Can spring break correspond with Madison College?	9/15/2022 12:40 PM
181	none	9/15/2022 12:40 PM
182	It would be really nice to not start school until after Labor Day. Otherwise the kids are in school over Memorial Day weekend and Labor Day weekend. Parents with limited time off use those weekend for family vacations.	9/15/2022 12:38 PM
183	I'd rather school got out a few days later to allow for additional days off during the school year.	9/15/2022 12:38 PM
184	Thank you for all you do!!	9/15/2022 12:38 PM
185	Please don't start until after Labor Day	9/15/2022 12:36 PM
186	It's terrible to send kids back to school Jan. 2, but alas, not having a 2-week winter break is a challenge overall.	9/15/2022 12:35 PM
187	Many surrounding districts continue to use Wednesdays as either early release days or async days to be used for teacher prep, PLC work, and staff meetings. How can these be built into our schedule?	9/15/2022 12:33 PM
188	I would love to see a balanced calendar, with summer break being 8 weeks with longer breaks throughout the year.	9/15/2022 12:32 PM
189	Have you considered fitting a 2 day break in by ending the school year a day or so later?	9/15/2022 12:30 PM
190	Align spring break with UW Madison spring break	9/15/2022 12:29 PM
191	Please give more time prior to Xmas break. It's a pain to have to wait until the day before Xmas eve to travel.	9/15/2022 12:27 PM
