

Introduction Speech

In this mini-speech, you are expected to let your teacher and classmates know a little more about yourself. Your speech should include the following information:

- An introduction to yourself (what you like to do, and any other unique information)
- 2 goals that you would like to accomplish by taking Advanced Speech
- What you would like to do when you “grow-up.”

Use this simple organizational format for the speech:

- I. Introduction/Attention Grabber (don't say “my speech today is going to be about...”
 1. Introduce yourself
 2. Give an oral thesis that explains your next 3 points
- II. Body
 1. Goal # 1 for the class
 2. Goal # 2 for the class
 3. What you want to do when you “grow-up”
- III. Conclusion
 1. Rephrase introduction
 2. Rephrase your 3 main points (don't finish by saying “I guess that's all I have...”etc...)

Your speech needs to be at least 2 minutes long, but no longer than 4 minutes. You will not be graded upon speaking ability at this point, but rather your ability to follow directions and your participation. The order for this speech will be drawn at random so everyone must be ready to present on Wednesday, September 2nd!
