

Oregon School District Boundary Map (Total Tax Base)

This map shows the boundaries of the Oregon School District (OSD). *All who live within the District boundaries are residents of OSD and pay OSD taxes.* The OSD is responsible for educating all students who live within District boundaries. Projected population growth in OSD is coming from an increase in new housing within the District's boundaries; one of the most rapidly-growing areas is in the portion of Fitchburg that is within the OSD boundary.

Did you know...

- ✓ Oregon School District (OSD) covers 81.1 square miles (56,384 acres), of which the Village of Oregon is about 4 sq. miles;
